Contact Jim Boyle at boyleje@uw.edu or at 206.543.7252 for more details.

Community Engagement News

UW Fraternity Launches ASD focused Community Mentorship!

Bros UnitedD by Theta Delta Chi-Xi Deuteron

With the Bros UnitedD (B.U.D.) program, Theta Delta Chi aims to provide local kids with autism ages 14-18 with responsible, sociable, and intelligent male mentors. The program seeks to foster true friendships between participants (Little Brothers) and brothers of Theta Delta Chi (Big Brothers) through a series of seven events, beginning in October, 2016. Events encourage relaxed socializing, team-building, and (definitely) having fun! By getting to know Big Brothers, Little Brothers can look forward to entering college, knowing that they have friends on campus. Contact Raymond Lau at (206) 327-8781 or email brosuniteduw@gmail.com.
