

UW Autism Center

# Upcoming Workshops

2017-2018

Want to learn more about **Autism Spectrum Disorders (ASD)** and **evidenced-based strategies** for effective instruction? Sharpen your skills at the **UW Autism Center's professional development seminars**. The UW Autism Center is excited to offer a variety of different workshops in distinct subject areas. Workshops will be held at our UW **Seattle** and UW **Tacoma** clinics. Please check our website, [www.uwautism.org](http://www.uwautism.org), for more information and to register. We hope to see you soon! **Upcoming topics include:**

- ❖ ABA Boot Camp: A 3-Day Workshop
- ❖ ABA: The Basics for Providers
- ❖ ABA: The Basics for Parents
- ❖ ABA: Lunch & Learn Series for Parents
- ❖ ABA for SLPs
- ❖ Addressing Challenging Behaviors: Prevention is the Best Intervention
- ❖ Autism and Anxiety
- ❖ Academic & Organizational Success for Middle/High School Students
- ❖ Effective Strategies for General Education Classroom
- ❖ Improving Social Navigation and Social Skills Instruction
- ❖ Understanding and Teaching Executive Functioning
- ❖ Autism, Adolescents, and Puberty
- ❖ Transition to Adulthood: Teaching Daily Living Skills
- ❖ Obsessive-Compulsive Behaviors in Adolescents with ASD
- ❖ Get the Ball Rolling: Naturalistic ABA for Young Children with ASD
