Join our ECHO community! Early  
Support Educators, SLPs, OTs, and  
BCBAs welcome.

Project ECHO (Extension for Community Healthcare Outcomes) is a participatory online cohort of BCBAs and Early Support (birth-to-three) providers working with children with autism three and younger. Our goal is to increase collaboration and share expertise across service delivery systems.

Participants will present de-identified cases and engage in case consultation in a multi-disciplinary group of their peers and ECHO Hub Team members.

CEs for BCBAs and Clock Hours for educators are available.

## Session dates:

2022	Nov 2 <sup>nd</sup> , 16 <sup>th</sup> , & 30 <sup>th</sup>	Dec 14 <sup>th</sup>
2023	Jan 4 <sup>th</sup> & 18 <sup>th</sup>	Feb 1 <sup>st</sup> & 15 <sup>th</sup>
	March 1 <sup>st</sup> , 15 <sup>th</sup> , & 29 <sup>th</sup>	April 12 <sup>th</sup> & 26 <sup>th</sup>

Our project aims to support underserved populations; eligible participants must be serving:

- Children with autism three and younger  
AND
- Medicaid-eligible and/or
- BIPOC children

Each session will include brief didactic presentations covering a range of topics. Examples include collaboration, instructional approaches, etc.
