

COMMEMORATIVE BENCHES AT THE CENTER FOR URBAN HORTICULTURE

**PROVIDE A PLACE TO PAUSE AND ENJOY THE BEAUTY AND INSPIRATION
OF THE UNIVERSITY OF WASHINGTON BOTANIC GARDENS**

HONOR A SPECIAL EVENT OR LOVED ONE WITH A COMMEMORATIVE BENCH

Funding for a bench provides for:

- ♦ purchase and installation of a high-quality wood bench
- ♦ purchase and installation of a brass plaque engraved with the words of your choice
- ♦ maintenance and eventual replacement of the bench

The funds from your purchase are placed in an endowment, and interest income covers long-term maintenance of the bench and replacement if necessary. The bench site remains yours in perpetuity.

The cost to purchase, install and maintain a bench at the Center for Urban Horticulture and Union Bay Natural Area is \$8,000.

Your generous gift of a bench will refresh UW Botanic Gardens visitors as they explore, study and contemplate. Thank you!
