**Washington Park Arboretum**

**JULY HIGHLIGHTS**

Interactive Map for mobile devices: botanicgarden.uw.edu/map

---

1. **GRAHAM VISITORS CENTER**
   - Seasonal containers, Arboretum Foundation perennial borders (around Greenhouse)

2. **Koelreuteria paniculata**
   - Goldenrain Tree
   - Medium deciduous trees with yellow flower panicles. New leaves have pink hue

3. **Tilia species**
   - Lindens
   - Small-large deciduous trees with small flowers and showy, cream colored bracts

4. **Quercus species**
   - Oak collection
   - Majestic deciduous shade trees and smaller evergreen species, part of the National Collection

5. **Oxydendrum arboreum**
   - Sourwood
   - Deciduous trees with pendant white flowers

6. **Magnolia virginiana**
   - Sweet Bay
   - Semi-evergreen tree with green leaves with white undersides, and scented, ivory colored flowers

7. **CENTENNIAL GARDEN**
   - Summer blooming hydrangeas, roses and perennials overlooking Azalea Way pond. Sponsored by the Seattle Garden Club in recognition of their 100th Anniversary in 2017

8. **JAPANESE GARDEN**
   - Authentic, formal 2.5 acre stroll garden admission fee collected

9. **Fuchsia magellanica and cultivars**
   - Hardy fuchsia
   - Deciduous shrubs with abundant pendant flowers that range from red and purple to pink and white, attractive to hummingbirds

10. **New Zealand Forest**
    - Small-leaved broadleaf evergreens of dramatic form against sweeps of grasses over 2.5 acres.

11. **Olearia species**
    - Tree daisies
    - Medium broadleaf evergreen shrubs with white, daisy-like flowers.

12. **Stewartia species**
    - Small deciduous trees with white, camellia-like flowers. Some species feature colorful bark

13. **Hydrangea species and cultivars**
    - Deciduous shrubs with colorful mophead, lacecap or conical flowers

14. **Magnolia grandiflora cultivars**
    - Evergreen magnolia
    - Broadleaf evergreen trees with huge, fragrant white flowers and large shiny leaves with bronze indumentum

15. **Hydrangea quercifolia**
    - Oakleaf hydrangea
    - Deciduous shrubs with conical, scented white flowers, peeling bark

---
