

Conflict of Interest in Administration of Research Programs

NIH Topic: conflict of interest

This talk will:

- Describe the conflicts of interest that can arise when faculty and staff administer programs that evaluate and distribute funds for community-academic partnerships
- Describe a stepwise approach to evaluate such conflicts and consider a range of pragmatic solutions.

Monday, August 5, 2019
T-439 Health Sciences Bldg

UW: 4:00-5:00 pm
Coffee 3:30-3:55 pm

(Fred Hutch: 12:30-1:30pm, Weintraub Bldg, Pelton Auditorium)

SPEAKERS

Allison Cole, MD, MPH, Associate Professor, Family Medicine

Dr. Cole is a family physician and health services researcher in the School of Medicine at the University of Washington. She is co-Director for Community Engagement at the Institute of Translational Health Services (ITHS). Her research program focuses on implementation of evidence-based interventions in primary care practices.

Benjamin Wilfond, MD, Professor, Pediatrics, Adjunct, Bioethics & Humanities

Dr. Wilfond is the Director of the Treuman Katz Center for Pediatric Bioethics and a pulmonologist at Seattle Children's Hospital. He leads the Research Bioethics Consult Service for the Institute of Translational Health Sciences (ITHS). He conducts empirical research and conceptual scholarship focused on ethical policy issues related to the boundaries between research and clinical care.
