Please read and sign the following agreement:

1. I intend to participate in an **Excursion** to be held on June 30, 2016, in Washington State.
2. I, as a voluntary participant, understand that I will be participating in activities that involve potential transportation hazards. I realize that I will be involved in activities that will be outdoors where I will need to watch for uneven footing, rocks, branches, insects or animals, and may have possible exposure to extreme or inclement weather.
3. I agree to hold harmless the International Statistical Ecology Conference ("ISEC"), and the University of Washington ("UW") Directors, Officers, Employees, Agents, and/or Associates from any liability for any accidents, injury, loss of or damage to property that may occur on this program.
4. I understand that all reasonable precautions are taken to insure that the programs and activities sponsored by UW or ISEC are conducted by mature and qualified personnel in a safe and responsible manner.
5. In the event of an emergency, I give permission to UW or ISEC representatives to secure proper medical treatment. I understand that any medical expense will be billed directly to me or my insurance company.
6. I have read this waiver and agree to abide by these terms. I am aware this is a waiver and a release of liability and I sign it voluntarily.
