

Lewis County Community Health Project Update

March 22, 2005

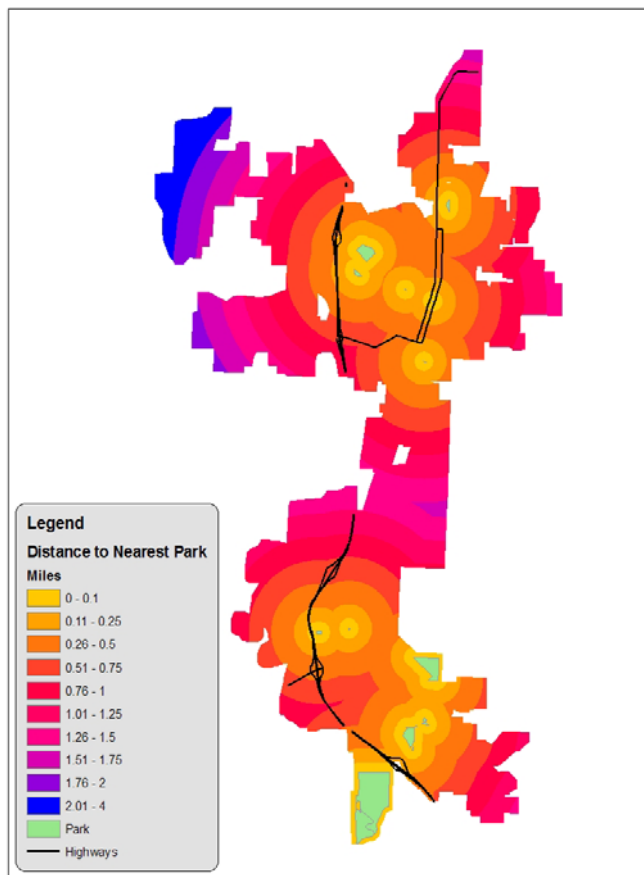

Introduction

Our research team will produce an intermittent update that will be posted on the project website as a PDF file at http://staff.washington.edu/crehm/lewis_co_page.htm. You will be able to access all of the project updates from this website, and any additional materials. On the right-hand side of the website you will find important links and documents, including the project application and any other relevant links. On the left-hand side you will find the project updates. If you have any questions about the progress of the project please contact [Colin Rehm](#).

Comments on Pilot Website

We would like to thank the constructive comments on the project website, and will address the recommendations as we continue working on the project. If you have any additional comments or ideas please feel free to use the Comments link on the right-hand side of the homepage.
