This production is a Participating entry in the American College Theater Festival. The aims of this national educational theater program are to identify and promote quality in college-level theater production. To this end, each production entered is eligible for adjudication by a regional American College Theater Festival representative. The production is also eligible for inclusion at the ACTF regional festival. Twelve ACTF regional festivals are produced nationwide each year and from these festivals up to seven productions are selected to be part of the noncompetitive ACTF national festival at the John F. Kennedy Center for the Performing Arts each spring. ACTF also sponsors regional and national level awards, scholarships, and special grants to actors, playwrights, designers, and critics.

Last year more than 650 productions and 15,000 students participated in the American College Theater Festival nationwide. By entering this production in ACTF, our department is endorsing the ACTF goals to help college theater grow and to focus attention on the exemplary work produced in university and college theaters across the nation.
