***President's Message 2013-2014***

Welcome to another exciting year as a member of the UWFA! The summer rewarded us with many sunny days, so that those gardeners among us have many lovely flowers and ripe tomatoes (forget the zucchini!).

This year we welcome five new members to the Board. Four of them will serve as Co-chairs to lighten their duties. Most of our members are retired and like to travel, making it difficult to serve regularly on the Board. Also Co-chairing a position allows more of our members to participate in the Board's activities.

In my five years of being a UWFA member I have seen the Interest Groups dwindle in number. Many of us were saddened to see the Opera and More Group disappear from the list. Again, having Co-chairs sharing the leadership of an Interest Group lightens the load. Anyone wishing to revive a previous I.G. or to start up a new one, please contact our new Interest Group Chairs, Evette Hackman and Kathleen Ellsbury. Possible new groups are: Gardening, Music, and Japanese Language.

At the Fall Reception sign-up sheets will be provided for anyone wishing to see if there is an interest in starting a new group. If you have a friend who is interested in joining the UWFA bring them along to check us out.

We will continue this year with the popular Dinner/Lecture and Dinner/Movie series at the UW Club. These are held on the second Wednesday of the month. Details of these events will be in your Newsletters.

I want to express my appreciation for the many volunteers who make it possible for the UWFA to continue with all its services to the University community. Many of our volunteers put in hundreds of hours each year to the Visiting Faculty Housing Service, sitting on the Board, or chairing an Interest Group. Whether it's a few hours or many hours, we thank all volunteers.

I hope to see many of you at the Fall Reception on October the 7<sup>th</sup>.

Barbara Holmes  
UWFA President

**In Memoriam**

Betty (Elizabeth) Orians died peacefully on August 11, 2013 after an illness of about three years. Betty became a regular Auxiliary member in 1975 (then still, *Faculty Wives*) and remained a very active and contributing participant ever since. She served as UWFA President in 1985-86, was for many years a weekly volunteer in the Visiting Faculty Housing Service, was co-editor of the Auxiliary's renowned cookbook, *Cooking with All Your Faculties*, as well as an avid hiker with the Tuesday Trekkers. A celebration of her life will be held in Seattle on October 13 from 2:00 to 5:00 pm at the UW Club. Please RSVP to Gordon Orians at: [ghorians@gmail.com](mailto:ghorians@gmail.com) no later than October 5. Contributions in her name may be sent to *Planned Parenthood*, which she admired and worked for.

Margaret "Peg" Coyne Settles died May 13, 2013 at age 83. She is survived by her husband, Ivan and many other family members. Peg was an active member of the UWFA and participated for over 30 years in the Day-time Gourmet Interest group. Peg knew a lot about food and enjoyed every aspect of it, planning menus, shopping, preparing and eating. In addition she was very well informed about current events and liked to read the New York Times on her tablet computer.

**Spring Luncheon 2013 revisited**

If you attended, you know already! The 2013 Spring Luncheon was more than filled to capacity ... not a seat left in the house! Many thank yous go to our hard-working coordinator, Tina Schiess, who treated us, once again, to a memorable afternoon, to her committee, who saw to the many many details, and to our Program Chair, Marcia Brown, who had arranged for the exceptional speaker. Mimi Gates fascinated us with her stories and the history of the Chinese *Cave Temples of Dunhuang*. We are very appreciative, also, of the friendly and accommodating staff at the Seattle Yacht Club, who, through their efficient service, contributed to the enjoyment we all shared on this occasion.

**Twenty-five Degrees of Separation:  
An Argentine Adventure**

by

Carolyn Crockett & Bob Brooks

In a continuation of their trip to Paraguay, our speakers traveled by plane, bus, car, boat, ferry, kayak, horse, aerial tramway, chairlift, and on foot through diverse habitats and latitudes. From subtropical Iguazú Falls, part of the Paraguay portion of the trip, to Patagonia, they experienced exquisite views of wildlife (monkeys, whales, guanacos, penguins, and toucans to Andean condors) and scenery (forests, wild seascapes, Andes mountains, glaciers).
