

ARE YOU OUR NEXT LEADER?

We are looking for an inspired director who leads our community and staff with equity and inclusion at the forefront. The Harborview Abuse & Trauma Center is a program of Harborview Medical Center's Department of Social Work. Our mission is to prevent and treat the harmful effects of traumatic experiences on survivors, families and communities. We strive to serve the broader community through leadership, prevention, research, community and professional education, and public policy advocacy.

All across UW Medicine, our employees collaborate to perform the highest quality work with integrity and compassion and to create a respectful, welcoming environment where every patient, family, student and colleague is valued and honored.

POSITION OVERVIEW

The director's responsibilities include:

- Overall administrative program oversight of all HATC Programs: medical, counseling, prevention, training, research and evaluation, and Foster Care Assessment Program, with 65 staff including physician faculty, SANE nurses, social work/ counseling, prevention, training, and support positions.
- Develop and nurture hospital and community partnerships in support of HATC mission
- Policy development and implementation
