## AUNTIES ARE A GAME CHANGER— HOW INDIGENOUS LOVE HEALS HISTORICAL TRAUMA

**Camie Jae Goldhammer, MSW, LICSW, IBCLC**

Camie Goldhammer, MSW, LICSW, IBCLC (Sisseton-Wahpeton Oyate) is a devoted leader for Indigenous families locally and nationally. In this presentation, she will discuss the power of unconditional community love as illustrated by Hummingbird Indigenous Family Services, a Native non-profit serving Native mothers and babies throughout the Seattle area. Hummingbird was born out of a call from community members for an organization that could serve the urban Indigenous community's moms and babies. Through their foundational BirthKeeper (Doula), Pilimakua Home Visiting, and NEST (guaranteed income) programs, they are working hard to care for Native families in their community.
