

What is sexual assault?

Anytime someone is **forced**, **coerced** and/or **manipulated** into any **unwanted** or **illegal** sexual activity, it is a sexual assault.

Sexual assault can happen to **anyone**: adults, teens or children.

REMEMBER: Sexual assault is **never** your fault.

Clinical & other services

Therapy

Therapy focuses on healing from the trauma caused by sexual assault. Cost is never a barrier to therapy services.

Family support

We support non-offending parents and caregivers of children receiving KCSARC services. Groups available in English and Spanish.

Dando Voz

All advocacy and therapy services are available in Spanish by bilingual, bicultural KCSARC staff.

Prevention education

Our work in schools and the community aims to stop sexual violence from happening in the first place.

Information about services, including sexual assault forensic exam locations and language interpretation assistance can be found at our website:

We're here, always.

The nonprofit King County Sexual Assault Resource Center (KCSARC) has assisted survivors throughout King County since 1976. Our comprehensive advocacy and therapy services focus on the specific needs of children, teens and adults who have experienced sexual assault.

Our advocacy and therapy services are available in both English and in Spanish. All services are always confidential, and advocacy services are free.

KCSARC believes and supports all survivors. Your well-being and safety are our highest priorities.

ALL WELCOME
