

Buenos Aires, Argentina

Dear Student,

Thank you for taking Universidad de San Andrés into consideration when thinking about the future of your studies.

Attached to this letter you will find the following items:

- Application form (including the Information need for Visa procedure form)
- Estimated costs for Study Abroad
- Housing form
- San Andrés Guarantee Payment Card.
- Notice of arrival form.
- Information and Form about the Health Insurance Plan.

Our Fall semestre (March-August) usually starts on the first Monday of March and our Spring semestre (August-December), on the first Monday of August. We recommend you to plan your arrival in Argentina at least one week in advance in order to get acquainted with the city and its surroundings.

Usually, courses are repeated from year to year, but you should check in the future if the ones you have chosen are available that semester.

At the same time, you are always welcomed to visit us at our website. The URL is: <http://www.udesa.edu.ar>.

Please do not hesitate to contact us if you have any further questions or doubts. You can reach us at cstarkl@udesa.edu.ar, sgoncebat@udesa.edu.ar or at our phone number,

ARGENTINOS FAMOSOS*

Borges, Jorge Luis: (1899 – 1986) Escritor argentino. Vivió en Europa desde el año 1914 hasta 1921. Allí entró en contacto con el movimiento ultraísta. En 1921 regresa a Buenos Aires y funda con otros escritores la revista Proa. En 1923 publica su primer libro de poemas Fervor de Buenos Aires. En 1955 pierde casi por completo la vista. Su obra fue traducida a más de veinticinco idiomas y llevada al cine y la televisión. Recibió numerosos distinciones de diversas universidades y gobiernos extranjeros y numerosos premios, entre ellos el Cervantes en 1980.

Che Guevara: (1928- 1967) Ernesto Guevara de la Serna: revolucionario y líder político latinoamericano, cuya negativa a adherirse tanto al capitalismo como al comunismo ortodoxo, lo convirtió en un emblema de la lucha socialista. De apariencia salvaje, romántica y revolucionaria, el Che se ha convertido en una leyenda para los jóvenes revolucionarios de todo el mundo.

Fangio, Juan Manuel (1934-1995) automovilista, ganador de cinco títulos mundiales de F1. Empezó su carrera en el año 1934. Compitió para Maserati, Mercedes y Ferrari. En 1958 la Academia Francesa del Deporte le otorga el premio anual de la academia por ser el autor de la más sobresaliente hazaña deportiva del mundo, realizada 1958 en el circuito alemán de Nüburgring. Se retira del automovilismo en 1958.

Gardel, Carlos: sinónimo de Tango, fue compositor, intérprete y actor de innumerables musicales. Nació en Toulouse, Francia el 11 de diciembre de 1890, llegó a Bs. As. con su madre con solo 2 años. Empezó a cantar a los 17 y su reconocimiento vino en 1914. En 1925 ya era conocido en Hispanoamérica y en 1927 fue su consagración en Europa. Filmó varias películas en los estudios de Paramount, en Nueva York. Muere en el año 1935 en un accidente aéreo.

Maradona, Diego Armando: nació en el año 1960. Jugador de fútbol, campeón del mundo en 1986 y considerado en forma unánime como uno de los mejores futbolista de todos los tiempos. La magia de la camiseta 10 perdura en la memoria de todos los argentinos en una mezcla de veneración y agradecimiento. Jugó 692 partidos oficiales, convirtió 353 goles y obtuvo 10 títulos con los distintos equipos de los que formó parte.

Perón, María Eva Duarte de: (1919 – 1952). Esposa del ex presidente Juan Domingo Perón. Logro el voto femenino y se convirtió en el alma del movimiento peronista, adorada y odiada a la vez por millones de argentinos. Se destacó también por su facilidad y carisma para conectarse con las masas trabajadoras, a quienes llamaba sus “descamisados”.

Piazzolla, Astor Pantaleón: (1921 – 1992) bandeonista argentino que agrega al tango un poco de jazz y de música clásica, alcanzando así un resultado formidable e innovador que rompe con los conceptos de este ritmo porteño. Como legado ha dejado unos cincuenta discos y una enorme influencia de su estilo. En la actualidad sus discos son continuamente reeditados por las discográficas, y se creo la Fundación Piazzolla liderada por su viuda Laura Escalada.

Quino o Joaquín Salvador Lavado: nació en 1932, gran dibujante argentino. Padre de Mafalda, quien nació en 1964, fue traducida a 10 idiomas, exportada a varios países y fue chica propaganda de campañas de UNICEF. A través de sus caricaturas Quino reflexiona sobre la política, la economía y la sociedad en general.

PREMIOS NOBEL

Saavedra Llamas, Carlos: (1878-1959) P. N. de la Paz en 1936 por su intervención en la resolución del conflicto entre Bolivia y Paraguay

Houssay, Bernardo Alberto: (1887-1971) P. N. en Fisiología y Medicina en 1947 por el descubrimiento de la función de la hormona del lóbulo pituitario anterior en el metabolismo de azúcar.

Leloir, Luis Federico: (1906–1987) P. N. de Química en 1970 por su trabajo en bioquímica al descubrir los nucleótidos de azúcar y su función en biosíntesis de hidratos de carbono.

Pérez Esquivel, Adolfo: (1931-) P. N. de la Paz en 1980 por su trabajo en defensa de los derechos humanos basándose exclusivamente en los medios no violentos a través de la Organización Servicio Paz y Justicia desde 1974.

Milstein, César: (1927 -) P. N. en Fisiología y Medicina en 1984 por el desarrollo de la técnica de hybridoma para la producción de anticuerpos monoclonales. Estos anticuerpos tienen la particularidad de penetrar en las células del tumor. La técnica permite la producción ilimitada de estos anticuerpos con la especificidad predeterminada.
