

Warren G. Magnuson Institute for Biomedical Research and Health Professions Training

*Invitation for Magnuson Scholars Applications
2018-2019 Academic Year*

Each of the six University of Washington Health Sciences Schools is invited to nominate a student for selection as a Magnuson Scholar for the 2018-2019 academic year. The final review of the Magnuson Scholar candidates will be made by Health Sciences Administration based upon the Schools' nominees meeting eligibility and selection criteria. The Institute's projected total award for each school's scholar in 2018-19 will be approximately \$30,000. The actual amount is based on the endowment fund performance and is determined in early March 2018.

Eligibility

- Magnuson Scholars are selected annually from applicants nominated by each of the six University of Washington Health Sciences Schools: Dentistry, Medicine, Nursing, Pharmacy, Public Health, and Social Work.
- Students must be enrolled in a graduate program in the health professions at the University of Washington and registered for summer quarter 2018 and winter quarter 2019 during the 2018-19 academic year.
- Students may be nominated in consecutive years by their respective schools.
- At least one Magnuson Scholar will be selected in a career pathway preparing for or engaged in research related to diabetes, its antecedents, or complications.

Selection Criteria

- Scholars will be selected based upon academic performance and/or promise and the students' potential contributions to research in the health sciences.
- Special consideration will be given to Washington State residents and students of underrepresented groups in the Health Sciences Schools.

Application Procedure

By February 28, 2018 EOB each school should submit the name of the nominated student and the required application materials for each nominee:

- Current program transcript (official transcript preferred)
- One-page statement of career objectives
- One-page letter of recommendation from the supervising faculty member

Email application materials to Health Sciences Administration, hsaea@uw.edu. Receipt of materials will be acknowledged within one business day. Please contact Kelsey Croft at 206-221-6726 with general program and process questions. Students interested in a nomination should contact their Health Sciences School Dean's office and/or respective school's Magnuson Scholar point of contact.
