

General Internal Medicine Opportunities in Maine

Many opportunities await graduating Internists seeking traditional general practice or an outpatient practice. The positions are in a variety of locations throughout the state of Maine. Many are hospital employed or affiliated practices which offer signing bonuses and assistance with medical education debt. Base salaries start at \$140-\$160K, with generous bonus plans, and comprehensive fringe benefits packages which include malpractice and funding for CME. Your interview expenses will be covered and once hired your moving expenses will be paid.

Southern Coastal:

Four physician private group affiliated with [York Hospital](#) is seeking a 5th physician. This is a full scope of practice with two office locations in Wells Beach and York. This is a well established group, with the founder in practice for over 20 years. York Hospital is supporting the recruitment with a competitive salary guarantee. The practice is located minutes from Portsmouth, NH and just 90-minutes north of Boston.

Coastal Kennebunk:

Practice with 2 Internists, and 1 NP, seeks a 3rd General Internist to be employed at [Southern Maine Medical Center](#) in Biddeford, Maine. This is an outpatient practice in the beautiful coastal community of Kennebunk. The practice is expanding rapidly. The two internists are well respected and have been practicing in the community for many years. A new graduate would be a great compliment.

Portland, Maine:

Mercy Hospital: Three physicians seeking a fourth for the practice located at the hospital. This is an employed position. An ideal fit will be someone interested in women's health. This is a full scope general Internal Medicine practice. The hospital does have a 24-hour Hospitalist program. Mercy is a 230-bed hospital located in downtown Portland. A new facility on the Fore River is under construction. This is an exciting time to join the practice.

Martin's Point Health Care: This is an **outpatient only** practice. This is a practice with 18 practitioners, including a Cardiologist, OB/GYN and Surgeon. The remaining are Family Practitioners, and Internists. Patient panels are maintained at 1500-2000. Martin's Point has a very innovative approach to medical care delivery, with emphasis on prevention. It was the first large practice in the state to shift to EMR. Call is 1 in 12 from home. The Hospitalist services at Maine Medical Center and Mercy Hospital in Portland provide inpatient care. Martin's Point is the contracted provider for active and retired military and their families.

Southern Maine:

[St. Mary's Medical Center](#), a 230-bed hospital located in Lewiston, 30-miles north of Portland is seeking three Internists for its expanding primary care group. Three practice locations are adding staff to meet increasing demand. The service area population is 112,000. Lewiston is the home to Bates College, a top rated liberal arts college. [This site can sponsor a J-1 or H1-B waiver.](#)

Mid-Coast location:

Join a hospital employed group practice in gorgeous **Camden/Rockport Maine**, one of the most desirable locations in Maine. Call is 1 in 12, with a Hospitalist team to support your practice. The group is affiliated with [Penobscot Bay Medical Center](#) in Rockport. This is a modern 100-bed facility with top notch medical staff who have migrated to Maine for the beauty and recreation offerings.

Near Acadia National Park:

Ellsworth: [Maine Coast Memorial Hospital](#) is seeking an Internist to join a 5 member group. This is a full scope practice with assistance from a daytime Hospitalist. The 64-bed Hospital, serving a population of 24,000, has undergone tremendous growth and change over the past 5 years. Located minutes from the coast and 30-minutes from Bangor, Ellsworth has a vibrant arts scene and school system.

Bar Harbor: [Mount Desert Island Hospital](#) is looking for an Internist. You will have a comfortable 1 in 10 call with daytime hospitalist program to support you. This location is perfect with immediate access to Acadia National Park located minutes from Bar Harbor. Enjoy hiking and biking the hundreds of trails throughout the Park, kayaking and sailing along the shore. The internationally renowned Jackson Research Laboratory draws scientists from all over the world.

Western Maine:

[Redington-Fairview General Hospital](#), a 25-bed critical access hospital located in Skowhegan, is seeking an Internist for their outpatient practice. You will be one of four physicians practicing together, supported by a full service Hospitalist team. You will be near Sugarloaf Ski Resort and some of the best fly fishing in all of New England. You will be 1 ½ hours from Portland. [This is a J-1 waiver eligible site.](#)

[Mayo Regional Hospital](#) located in Dover-Foxcroft, 30 minutes west of Bangor, is seeking an Internist to join its primary care practice. One of the highly respected physicians is moving from his office practice to full time in the ER. You will have a ready made panel of patients with experienced colleagues. Dover-Foxcroft has several lakes in the immediate area including the huge and pristine Moosehead Lake.

Central Maine:

[Sebastiack Valley Hospital](#) is seeking an Internist for a practice with two other physicians and several Nurse Practitioners. This is a full scope of practice with in-hospital care. This is an employed position and [waiver sponsorship is an option.](#) You will be located just 45-minutes south of Bangor and 25-minutes north of Waterville, home to Colby College.

Northern Maine:

[Houlton Regional Hospital](#) is a 25-bed critical access hospital located in the county seat of Aroostook County, Houlton. Join a highly regarded practice with 3 Internists who provide a full scope of services to a population of 18,500. Although a hospitalist program has been launched, the ideal physician for this practice will be skilled in managing sick patients. [This is a J-1 waiver site.](#)

The [Aroostook Medical Center](#) in Presque Isle and [Cary Medical Center](#) in Caribou are seeking Internists to work in outpatient settings. Both are near the University of Maine in Presque Isle and the Winter Sports Center, the training center for Nordic ski racing which has hosted US world cup Biathlon races. One of the positions is with the Pines Health Centers affiliated with Cary Medical Center. The opportunity is an outpatient only practice with call 4 days per month and occasional weekend call. [Pines Health Centers qualify for sponsorship of a J-1 waiver.](#) Several outpatient positions are available with Horizon's the employed practice with The Aroostook Medical Center. Call is 1 in 7 with a full service Hospitalist program supporting the practice.
