

Exam Instructions

Course: Diagnostic Radiology Imaging Physics: Nuclear Medicine Physics 2008

Instructors: Robert Miyaoka, Ph.D., Adam Alessio, Ph.D., Paul Kinahan, Ph.D., Tom Lewellen, Ph.D., Larry MacDonald, Ph.D.

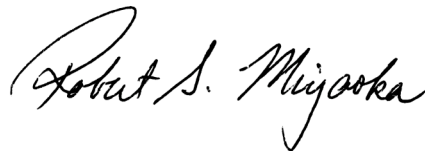

Dates: 22 May 2008 – 26 June 2008

The following are the instructions for the exam.

1. The exam is closed book and closed notes.
2. You have 2 hours to take the exam. The exam is available on the course webpage (<http://depts.washington.edu/uwmip/>). You will have to use the username and password provided for the course. Please do the exam at one sitting. You can use a calculator for the exam. Note: there are 33 multiple choice questions taken from past Raphex Exams. The best way to prepare for the exam is to review the example Raphex questions and answers available on the course webpage, as well as, the notes from the lectures, and reading the referenced chapters in Bushberg.
3. You have two+ weeks to complete the exam (i.e., please return by July 14th). If you need an extension please e-mail me to let me know. My e-mail is: rmiyaoka@u.washington.edu.
4. Please mail returned exams via campus mail to: Robert Miyaoka, Box 357987, Department of Radiology.
5. We would also greatly appreciate it if you could fill out and return the evaluation forms. Please send them via campus mail to: Robert Miyaoka, Box 357987, Department of Radiology. We want to keep the evaluations anonymous so please send in a different envelop than your exam.
6. Scored exams will be returned to your resident/fellowship director for your pick-up by July 21st, 2008.

Thank you very much for you attendance and attentiveness during the lecture series.

Sincerely,

A handwritten signature in black ink that reads "Robert S. Miyaoka". The signature is fluid and cursive, with the first name "Robert" and last name "Miyaoka" clearly legible.

Robert Miyaoka, PhD
Research Associate Professor
