

Department of Surgery Residency Training Program

I have received and reviewed copies of all the following University of Washington documents. I understand that the RPA may be modified to reflect current stipends and benefits information, policies or other regulatory requirements.

1. 2012-13 Residency Position Agreement (RPA)
2. Policy on Resident Recruitment, Eligibility, Selection & Appointment
3. Essential Abilities Requirements for Appointment

Furthermore, I have been notified that these documents are also available on the University of Washington Graduate Medical Education Website:
