Indicate by order of preference (1,2,3,4,5) the high school where you would like to work during
A W SP SU Quarter 20____: Franklin _____ Garfield _____ Ida B. Wells High School @UW _____
Rainier Beach _____ Roosevelt _____ Other _____

If you wish to earn credit, you will be given an add code to register for General Studies 350B. You are allowed to receive a maximum of eighteen (18) credit hours for this General Studies section. The course is offered each quarter and you may enroll in it more than once. You can pick up your application packet at the McNair & EIP office at the Office of Minority Affairs and Diversity, 384 Schmitz Hall. Please complete this application form, criminal history form, and agreement concerning high school students. You will receive an add code AFTER the criminal history form has been processed. If you change your mind and decide you would like to change the number of credits you are registered for, you must obtain another entry code. Call Rosa Ramirez at 206.616.0863, or email at rosaelia@uw.edu if you have any questions.

The number of credits you are allowed to earn depends on the number of hours you can afford to work at the high school each week. Our expectation of you takes account of the fact that you will have to dedicate some of your time to traveling to and from the school, so we require you to be at the school only a relatively modest number of hours each week. Here is how it works: **for one credit, two hours per week at the school; for two credits, three hours per week; for three credits, four hours per week; for four credits, six hours per week; for five credits, eight hours per week.** The credits you earn will be ungraded credit/no credit.

Those who are working for UW credit will be registered in General Studies 350B. This will require you to write a brief term paper and submit it to Dr. Gabriel Gallardo in the Office of Minority Affairs and Diversity, **BY THE LAST DAY OF INSTRUCTION.**
