

# Statewide Parcel Data Meeting

Wednesday, February 28, 2007

9:00 AM to 11:00 AM

Office of the Interagency Committee

1111 Washington St. SE, Olympia WA 98501

Room 259

**Overview:** This meeting is to gauge the interest in finding a small group of key agencies that are interested to pursuing the development and coordination of a statewide parcel framework data set that would be accessible to various state agencies. Tackling this project would involve the identification of core attributes of interest; licensing and distribution; and building a working partnership with the county parcel custodians and the key agency framework coordinator.
