Promoting public health research, policy, practice, and education is the
mission of the American Journal of Public Health. We invite contributions
of original unpublished research, opinion and commentary, departments,
and letters to the editor. For specific guidelines, please visit the
Journal web site.

Cover: A child in San Antonio, Texas, learns from a friend the proper
way to brush her teeth. Photographer Magda A. de la Torre, RDS,
BS, uses her art to further public health. Her photos were displayed
at the Surgeon General's Oral Health Conference, "The Face of a
Child," in Washington, DC, in June 2000. Other de la Torre photos
can be seen on the National Oral Health Information Clearing House

Editor's Choice. Photo by Anders Kursberg, Columbia University.
