Promoting public health research, policy, practice, and education is the mission of the American Journal of Public Health. We invite contributions of original unpublished research, opinion and commentary, departments, and letters to the editor. For specific guidelines, please visit the Journal Web site.

Our July cover highlighted some articles that, for space reasons, were not published in that issue. We regret any confusion.

Cover: Retirement community residents do a seated tai chi exercise under the guidance of a care manager.
