ALCOHOLISM: CLINICAL AND EXPERIMENTAL RESEARCH (ISSN 0899-5896) is the official journal of the Research Society on Alcoholism and the International Society for Behavioral Research on Alcoholism and is published 12 times per year beginning in January by Lippincott Williams & Wilkins, 1632 Hampshire Way, Lippincott Williams & Wilkins, 1632 Hampshire Way, Philadelphia, PA 19103. Copyright © 2004 by the Research Society on Alcoholism. CLINICAL AND EXPERIMENTAL RESEARCH, 3632 Hampshire Way, Philadelphia, PA 19104. All rights reserved. No part of this publication may be reproduced in any form or by any means without permission in writing from the publisher. Foreign subscriptions: USA $95.00 (US dollars) per year; Canada $105.00 (Canadian dollars); all other countries $175.00 (US dollars). Subscription price includes a $10.00 subscription fee ($145.00 outside the USA); $120.00 members (outside the USA). Single copies: $175.00 in the USA, $365.00 international. $180.00 for members. Single-copy prices include a handling charge. Subscription orders outside of North America must add $30 for shipping/duty charge. United States residents of AS, CA, CT, DC, FL, IL, IN, IA, ID, KS, KY, LA, MA, MD, ME, NE, NH, NY, OH, OR, PA, SC, SD, TN, TX, UT, VT, WA, WI, and Alaska pay tax. The GST (on $75) must be added to all orders shipped to Canada (Licence: Williams & Wilkins GST Identification: #909524294). Magazines Postage Paid at Philadelphia, PA. Subscription price changes without notice. Visit our website at www.lww.com. Best Information for Subscribers for detailed instructions. The GST Tax Number for Canadian subscribers is 124455234. The Canadian public account number is 1400229. Indexed by: Julo Medical, Cambram (Cambridg) (Clinical Medicine), LIP Science, Science, Caesian Index, Neuroscience Citation Index, Research Alert, Zet Hoch, Excerpta Medica, Reference Update/Research Information System, Chemical Abstracts, CINAHL, and Biosis Information Service. Epidemiology and Prevention
Clinical Practice Characteristics and Preconception Counseling Strategies of Health Care Providers Who Recommend Alcohol Abstinence During Pregnancy
Suzanne C. Toug, Margaret Clarke, Matt Hicks, and Sterling Clarrin .................................................. 1724

Alcohol Effects on the Fetus, Brain, Liver, and Other Organ Systems
Maternal Age, Alcohol Abuse History, and Quality of Parenting as Moderators of the Effects of Prenatal Alcohol Exposure on 7.5-Year Intellectual Function
Sandra W. Jacobson, Joseph L. Jacobson, Robert J. Sokol, Lisa M. Chiado, and Rosaco Cordova ........................................... 1732

Inhibition of Nitric Oxide Release In Vivo by Ethanol
Zivni L. Rosetti and Francesco Crespi ................................................................. 1746

Ethanol Indexes Expression of the G3hama Transporter EAAT1 and EAAT3 in Organotypic Cortical Slice Cultures
Matthias Zies, Andrea Schmit, Valentina Vengeliene, Fritz A. Her, and Rainer Spergel ........................................... 1752

Alcohol Intoxication Impairs Phosphorylation of S6K1 and S6 in Skeletal Muscle Independently of Ethanol Metabolism
Charles H. Lang, Anne M. Praznak, Nobuko Deshprade, Margaret M. Paliopol, Robert A. Frost, and Thomas C. Vary ................................................................. 1758

Proceedings Summary of Symposium at the 2001 RSA Meeting
Ethanol Effects on Dopaminergic "Reward" Neurons in the Ventral Terminal Area and the Mesolimbic Pathway
Sarah B. Appel, William J. McBride, Marco Diana, Ivan Diamond, Antonello Bonci, and Mark S. Brodie .... 1768

Erratum
In the article, "Rapid Intake of Alcohol (Binge Drinking) Inhibits Platelet Adhesion to Fibronectin Under Flow," by Dylan W. de Lange, Michael L. Hjerming, Anoush Loozhey, Wilso L. G. Schmurn, Rob J. Kraaijersarm, Jan-Wiillen N. Ackerman, and Albert van de Wiel, appearing in Alcoholism: Clinical and Experimental Research, volume 28, number 10, pp 1562-1568, the text in several places should have read permillage instead of percentage. The published version is off by a factor of 10. Below is a list in which the text should have read permillage.

Page 1563, Table 1, line 5: alcohol concentration (%) should be (vol).
Page 1564, Results, second column, line 7: 1.25% should be 1.25‰.
Page 1564, Results, second column, line 8: 0.96% should be 0.96‰.
Page 1565, Results, first column, line 28: (9% alcohol) should be (8% alcohol).
Page 1565, Results, first column, line 21: 0.6% should be 0.6‰.
Page 1565, Discussion, second column, line 27: 0.3‰ should be 0.3‰.
Page 1565, Discussion, second column, line 30: 1.25% should be 1.25‰.
Page 1567, Discussion, first column, line 41: 1.0‰ should be 1.0‰.
Page 1567, Discussion, first column, line 41: 1.25‰ should be 1.25‰.
Page 1567, Discussion, first column, line 45: 0.2‰ should be 0.2‰.
