CONTENTS

EDITORIAL
The ethics of reimbursing injecting drug users for public health research interviews: what price are we prepared to pay?
Alison J. Ritter, Craig L. Fry, Amy Swan (Australia) ................................. 1–3

ORIGINAL PAPERS
"As long as it doesn’t spill over into class": harms arising from students’ alcohol use, and the role of policy in reducing them
Pamela Snow, Stephen Wallace, Petra Staiger, Bradley Stolz-Grobusch (Australia, UK) ....................... 5–16
‘Crystal meth’ use among polydrug users in Sydney’s dance party subculture: characteristics, use patterns and associated harms
Louisa Degenhardt, Libby Topp (Australia) .............................................. 17–24

ORIGINAL PAPERS (SPECIAL FOCUS)
Modelling emerging HIV epidemics: the role of injecting drug use and sexual transmission in the Russian Federation, China and India
Nicholas C. Grassly, Catherine M. Lowndes, Tim Rhodes, Ali Judd, Adrian Renton, Geoffrey P. Garnett (UK) ................................................................. 25–43
Conditions for widespread heterosexual spread of HIV in the Russian Federation: implications for research, monitoring and prevention
Catherine M. Lowndes, Adrian Renton, Michel Alary, Tim Rhodes, Geoff Garnett, Gerry Stimson (UK, Canada) ................................................................. 45–62
Potential impact of HIV among IDUs on heterosexual transmission in Asian settings: scenarios from the Asian Epidemic Model
Tobi J. Saidel, Don Des Jarlais, Wiwat Peerapatanapokin, Jimmy Dorabjee, Siddharth Singh, Tim Brown (Thailand, USA, India) ........................................... 63–74

RESPONSES
HIV among injecting drug users and spread to the general population: putting the cart before the horse
Chris P. Archibald, Dana C. Reid, Yogesh Cheudhri, Stephen M. Cule (Canada) ........................................ 75–78
Sexual HIV transmission in the context of injection drug use: implications for interventions
Steffanie A. Strathdee (USA) ................................................................. 79–81

Contents continued inside
Contents continued from outside back cover

HIV in IDUs: should we bother?
Samiran Panda (India) .................................................. 83–85
Model phobia: looking past the curves
Robert Heimer (USA) ..................................................... 87–88
Injecting drug use and the sexual transmission of HIV: simple model insights
Peter Vickersman, Charlotte Watts (UK) ........................................ 89–93
The relationship between heterosexual and injecting drug use related HIV epidemics
Karl L. Dehne, Neif Walker (UK) ............................................. 95–97
Can HIV epidemics among IDUs 'trigger' a generalised epidemic?
Lucas Wiessing, Mirjam Kretzschmar (Portugal, The Netherlands, Germany) .................. 99–102

RESPONSES (ETHNOGRAPHY AND MULTIDISCIPLINARITY)
Responses to a special issue
David Moore, Tim Rhodes, Gerry Stimson .................................. 103
Put down that shield and war rattle: Response to Philippe Bourgois
Andrew Moss (USA) ................................................................ 105–109
Reversing the hierarchy: rethinking multidisciplinarity in drug research
Merrill Singer (USA) ................................................................. 111–114
With both eyes open: notes on a disciplinary dialogue between ethnographic and epidemiological research among injection drug users
Dan Cecarone (USA) ................................................................. 115–118
IJDP commentary: qualitative research and harm reduction
Mark Davis (UK) ....................................................................... 119–122
The bitter sweet poison of ethnographic research
Neil McKeagney (UK) ............................................................... 123–125
Drug research: ethnographies or qualitative works
Claire E. Sterk (USA) ................................................................. 127–130
The relationship of ethnography to illicit drug surveillance
Paul Dettie (Australia) ............................................................... 131–135

BOOK REVIEWS
Linda Cusick (UK) ................................................................. 137
George Christo (UK) ................................................................. 137–139

Instructions to Authors .......................................................... I–III
