Special Double Issue: Sterile Syringe Access for Injection Drug Users in the 21st Century: Progress and prospects

OBITUARY
Obituary–Margaret MacDonald 1956–2003
John Kaldor (Australia) .......................................................... 349

EDITORIAL
Sterile syringe access for injection drug users in the 21st century: progress and prospects
Steffanie A. Strathdee, Francisco Inácio Bastos (USA, Brazil) ......................................................... 351–352

ORIGINAL PAPER
Effectiveness of needle and syringe programmes for preventing HIV transmission
Margaret MacDonald, Matthew Law, John Kaldor, Jim Hales, Greg J. Dore (Australia) ............... 353–357

RESPONSES
Ecological analyses and the evaluation of needle and syringe programmes
Waleska Teixeira Caiaffa, Fernando Augusto Proietti (Brazil) .......................................................... 359–360
What is it about needle and syringe programmes that make them effective for preventing HIV transmission?
Alex H. Kral, Ricky N. Bluthenthal (USA) .................................................................................. 361–363

ORIGINAL PAPERS
Practices surrounding syringe acquisition and disposal: effects of Syringe Exchange Programmes from different Brazilian regions—the AJUDE-Brasil II Project
Waleska Teixeira Caiaffa, Francisco Inácio Bastos, Fernando Augusto Proietti, Ângela Cristina Maia Reis, Sueli Aparecida Mingoti, Denise Gandolfi, Denise Doneda, AJUDE-Brasil II Project (Brazil) .......... 365–371
