Ethical Guidelines for Addiction Treatment Professionals

Bill Herring, LCSW

The counselor faced with a full caseload and busy schedule has few opportunities for in-depth examinations of ethical dilemmas that often demand an immediate decision. The author sets forth a pragmatic set of principles that are relevant to counseling substance and behavioral addictions.

Cover Story & Features

Adolescent Treatment: Its History and Current Renaissance

William L. White, MA, Michael Dennis, PhD, and Frank M. Tim, PhD

The resurgence in adolescent illicit drug use and binge drinking has sparked renewed calls for evidence-based prevention and intervention programs for substance-involved youth and their families. Bill White and his colleagues review the history and future of such interventions.

Changing Lives Through Literature

Susan Major

This innovative program sentences felons with drug problems to literature classes rather than jail. Explore the program’s phenomenal success and find out how you can start a similar program in your area.

Is It A Love, Sex, or Relational Matter?

Pia Mellody, RN, ABCAC

Is your client a Love Addict or Love Avoidant? Pia Mellody, a pioneer in the treatment of addictive disorders, shares her research and illuminates the identifying aspects of these toxic relationships.

Opiates: Their History and Its Relevance to Today’s Treatment

Joseph A. Troncale, MD

Opiates have existed as substances of use and abuse for at least 5,000 years. Examine the history of opiates from 1300 B.C. through the modern age, social issues, neurochemistry, treatment of acute withdrawal, maintenance therapy, pain management versus addiction, as well as future trends.
