Dear Prospective Student:

Thank you for your interest in applying to the External Doctor of Pharmacy Program.

Please read through the enclosed materials carefully to ensure your application to the program is complete. The Application Form and the Application Fee Payment ($50) must be postmarked by September 7, 2007, to qualify the applicant for consideration of admission to the program. Remaining application materials must be received by September 28, 2007 for final admission consideration. Please submit documents to the External Doctor of Pharmacy Program. Do not send any materials to the Office of Admissions or School of Pharmacy.

Application materials include:

- **Application Form:**
  The Application Form should be typed or printed in ink and must be signed by the applicant. The Application Form and the Application Fee Payment ($50) must be postmarked by September 7, 2007, to qualify the applicant for consideration of admission to the program. Remaining application materials must be received by September 28, 2007 for final admission consideration. The address for the University of Washington is on page four of the application. The $50 nonrefundable application fee must accompany the Application Form and be made payable to the university to which you are applying.

- **Three (3) Letters of Recommendation**
  Please use the enclosed forms for your recommendation letters. Separate letters can be included with the recommendation, but the completed form must also be attached.

- **Transcripts from all Academic Institutions Attended**
  Official transcripts from all academic institutions must be received by the application deadline. Transcripts should also be sent in care of the External Doctor of Pharmacy Program at the University of Washington address on page four of the application.

- **Conviction/Criminal History Information Form**
  Applicants to the External Doctor of Pharmacy Program are required to disclose specific information about any convictions for crimes against persons and crimes relating to financial exploitation and findings in related actions and proceedings. This information will be processed only upon acceptance to the External Doctor of Pharmacy Program. Your acceptance into the program can be revoked pending results of this investigation.

- **Copies of:**
  A. Current Pharmacy License(s) from the US only.
  B. Current First Aid and CPR Certificates, if available. Students are required to be certified in First Aid and CPR to participate in the clerkship portion of the program. It is not necessary to apply to the program, but you will need to be certified before beginning the clerkships.
  C. Credentials showing certification as a “Board Certified Pharmacotherapy Specialist,” if applicable.

*A note to foreign applicants:* Foreign educated pharmacists are no longer eligible for entry into the program.

If you have questions concerning any part of the application process, please feel free to call the External Doctor of Pharmacy Program at the University of Washington (206) 685–UWEO.

UW Extension reserves the right to cancel programs or classes with low enrollment. Fees and tuition are subject to change. The program graduation requirements are subject to change.
