Trigger Events for Feeling Depressed

- Things turning out badly.
- Getting what you don’t want.
- Not getting what you want and believe you need in life; thinking about what you have not gotten that you wanted or needed.
- Not getting what you have worked for.
- Things being worse than you expected.
- The death of someone you love; thinking about deaths of people you love.
- Losing a relationship; thinking about losses.
- Being separated from someone you care for or value; thinking about how much you miss someone.
- Being rejected or excluded.
- Being disapproved of or disliked; not being valued by people you care about.
- Discovering that you are powerless or helpless.
- Being with someone else who is sad, hurt or in pain.
- Reading about other people’s problems or troubles in the world.
