(These courses require instructor permission and instructor ID codes.)

Check the UW Time Schedule for electives offered outside this School.

REGISTRATION:

It will not be necessary to notify the Office of Academic & Student Programs Office of your elective choices, unless for example, a required “break-out” section conflicts with an elective, or carpooling is an issue. If either is the case, you need to contact Kathy Hamilton in the ASP office two weeks prior to registration, either in person, or e-mail kmhamil@uw for her assistance in accommodating you with your schedule. If she is not available, others in the ASP office will be happy to assist you also!
OTHER IMPORTANT NOTICES FROM THE OFFICE OF ACADEMIC & STUDENT PROGRAMS-The MOST CURRENT UW information such as the time schedule class times, rooms, schedule line numbers (SLN's), etc. can be located on the UW web site, entitled, “My UW.”

REMINDER: STUDENT DIRECTORY INFORMATION POLICY
It is the student's responsibility to keep current their own student directory information, such as address, telephone, emergency contact, and authorization to release information, etc., with the University of Washington and this ASP Office. Updates can also be made at “My UW” web site or call the UW Registrar's Office (206) 543-3868, which is open 24 hours. Important: In addition to keeping current your directory information, students are also required to notify the ASP Office of any directory changes by emailing pharminf at UW.

IMPORTANT REMINDER: E-mail
It is important that students check your e-mail several times per week, since this is a convenient and economical way for our office to supply information to students.
