The Puget Sound Partnership is reviewing photographic work to be considered for display at the 2009 Puget Sound Georgia Basin Ecosystem Conference.

**ELIGIBILITY:**
During the review process, emphasis will be placed on images by photographers currently residing in the Puget Sound and Georgia Basin area, however artists residing outside the region will be considered.

**CONTENT OF IMAGES SUBMITTED:**
Color photography with Puget Sound and Georgia Basin imagery, including natural marine landscapes, marine wildlife and underwater photography with an emphasis on the Puget Sound Georgia Basin region.

**SUBMISSION DEADLINE:**
All submittals must be received by December 1, 2008.

**SUBMISSION FORMAT:**
- All submissions should be submitted on a CD in JPEG format.
- Digital file size of each image should be 72 dpi, approximately 1024 x 768 pixels on a CD only.
- Include your name and title on each image. Also include a separate printed page of thumbnails for all submitted entries.
- A professional bio and/or artist statement and digital photograph.
- Photographers may mark prints of their photography for sale. Please include a retail price list for unframed prints at 8 x 10, 11 x 14 and 16 x 20 inches. Please conduct sales outside of the conference.
- Each photographer may submit up to 25 images for review.
- Photographers of interest will be contacted by Rae A. McNally from the Puget Sound Partnership. Please include a contact e-mail and phone number so that she may contact you if further information is needed.
- All submittals must include a self-addressed stamped envelope for return of all images. Submissions received without a self-addressed stamped envelope will be discarded after review process. Although care will be exercised in the treatment of the information received, the Puget Sound Partnership and the Puget Sound Georgia Basin Ecosystem Conference is not held responsible for any damage or loss of submitted materials held for review. Do not send registered or certified mail. No images may be submitted electronically.

**REQUIREMENTS FOR SELECTED IMAGES:**
