You are invited to attend the staff briefing and participate in the public hearing regarding the Implementation Plan for the Washington Park Arboretum Master Plan. The Implementation Plan will be presented to the Seattle Parks Board of Commissioners on October 23, 2003. The meeting begins at 7 p.m. at 100 Dexter Ave. N. This public hearing marks the end of the public process for development of the Implementation Plan for the Arboretum Master Plan.

The Master Plan — “Renewing the Washington Park Arboretum,” — was adopted by the City Council and the University of Washington Board of Regents in May 2001. The University, the City and the Arboretum Foundation are working together to develop an Implementation Plan. The plan defines the sequencing of Master Plan projects for the Arboretum, including the Japanese Garden, and will guide fundraising and the expenditure of the Pro Parks Levy funds for the Arboretum. The Implementation Plan may be viewed at www.wparboretum.org Click on “ABGC.”

During the public hearing you will have the opportunity to share your comments on any aspect of the Implementation Plan with the Park Board. The Board will consider the briefing materials and the public comment in developing its recommendation to Parks Superintendent Ken Bounds.
