**WEDNESDAY – February 6**

**CME — WED—February 6th | 6:30 AM | UW A&PM Grand Rounds | UW/HSB T-435 — “Acute and Critical Illness Associated Brain Dysfunction” — Visiting Professor: Pratik Pandharipande, MD, MSCI, Professor of Anesthesiology and Surgery; Chief, Division of Anesthesiology Critical Care Medicine; Attending Physician, Veterans Affairs, Anesthesiology Service; Co-Director, Critical Illness, Brain Dysfunction, and Surviviorship (CiBS) Center, Vanderbilt University Medical Center, Nashville, TN.**

**Learning Objectives** — At the conclusion of this presentation, attendees should be able to: (1) Identify the manifestations of acute/critical illness brain dysfunction; (2) Understand the epidemiology including impact of acute/critical illness associated brain dysfunction; (3) Be able to implement strategies to reduce brain dysfunction and its associated outcomes. (Dr. Pandharipande receives financial research grant support from Pfizer (Hospira), in collaboration with NIH; in addition, he receives financial support from Merck for his work as an expert panelist on delirium.) For more information, contact: Julie Baker at bakerj@uw.edu.

**12:00 — 1:30 PM**

**UW TELEPAIN CONFERENCE**

*Establishing a Pain Diagnosis — David Tauben, MD*

(Attendees may join UW TelePain sessions via video teleconference from sites throughout the WWAMI Region. For more information, please contact: telepain@uw.edu.)

**WED—February 6th**

**RESIDENT LECTURE SERIES — CA3s**

**BB1444 / UW-HSB**

1330—1420 PM **Bedford Oetz: Financial Planning for Life after Residency**

1430–1620PM **Drs. R. Ferreira, F. Patrao, S. Bhagwanjee: Simulation**

(For more information, contact Erica Lee at: leereica@uw.edu)

**1:00 PM**

**HARBORVIEW NCCS CONFERENCE**

*TBA 2WH-81 / HMC

**THURSDAY — February 7**

**CME — THURS—February 7th | 6:00 AM | HMC Conference | GCT-72 — “Optimizing Sedation Paradigms in Critically Ill Patients” — Visiting Professor: Pratik Pandharipande, MD, MSCI, Professor of Anesthesiology and Surgery; Chief, Division of Anesthesiology Critical Care Medicine; Attending Physician, Veterans Affairs, Anesthesiology Service; Co-Director, Critical Illness, Brain Dysfunction, and Surviviorship (CiBS) Center, Vanderbilt University Medical Center, Nashville, TN.**

**Learning Objectives** — At the conclusion of this presentation, attendees should be able to: (1) Understand the benefits and potential harms associated with exposure to sedatives in ICU patients; (2) Describe the effect of sedatives on delirium in ICU and perioperative period; (3) Provide an overview of the SCCM PADIS guidelines and the ABCDEF framework to facilitate liberation from mechanical ventilation. (Dr. Pandharipande receives financial research grant support from Pfizer (Hospira), in collaboration with NIH.) For more information, contact: Gladys Fong at gladysf@uw.edu or Samantha Boggia at boggia@uw.edu.**

**6:15 AM**

**PAC/PACU RESIDENT CQI PRESENTATION — DEPARTMENT MEMBERS ONLY**

— Drs. Bryan Dugas & Sharon Jiang

**Rm SP-2276 / UWMC**

**6:30 AM**

**PEDIATRIC FELLOW CONFERENCE — Dr. Vince Hsueh: PBLD 6**

**11TH FL. LIBRARY / CHILDREN'S**

**7:00 AM**

**UWMC RESIDENT ACUTE PAIN SEMINAR — Dr. Michele Curatolo: Ultrasound-guided Pain Procedures**

**BB-1444 / UW-HSB**

**FRIDAY — February 8**

**6:30 AM**

**PEDIATRIC RESIDENT CONFERENCE — Dr. Liz Martin: BSI**

**11TH FL. LIBRARY / CHILDREN'S**

**7:00 AM**

**RESIDENT ACUTE PAIN SEMINAR — Dr. David Tauben: Antidepressants for Pain**

**BB-1444 / UW-HSB**

**1:00 PM**

**UWMC ICU EDUCATION CONFERENCE — TBA**

**SA6434 / E5A / MONTLACE TOWER**

continued
UPCOMING EVENTS

Save the Date
A&PM Department Faculty Retreat
Saturday, May 9 — 9:15am-1:00pm
UW Intellectual House
(4249 Whitman Court, Upper Campus)
Topics: "Maintaining Joy in Our Work"
More details to follow

2019 UW ANESTHESIOLOGY & PAIN MEDICINE EDUCATION SERIES (Category 1 CME accredited Conferences)
Find Updates on the A&PM GR Information web page at: https://depts.washington.edu/anesth/uwnetid/anesthonly/computing/apmgr.html. Unless Otherwise Indicated (speakers & location are subject to change), conferences are held as follows:

- **GRAND ROUNDS** — ROOM T-435 (WEEKLY ON WED, 6:30-7:30 AM) THRU WINTER QUARTER 2019 | Electronic Sign-in & Eval available through Friday of the current week at: bit.ly/APMGR (case sensitive)
- **HMC CONFERENCES** — GCT-72 | THURSDAYS | 6:00-7:00 AM | Eval & Sign-in: http://bit.ly/hmc-cme
- **OFF-SITE WED GRAND ROUNDS BROADCAST LOCATIONS:**
  - HMC Faculty & Residents: MB111/112
  - HMC OR Residents: Consult APM Grand Rounds Info Web Page
- **SCH:** OA.5.340 | **VA:** 1/320 | **RSVLT (R-1):** Suite 308 #357 (Family Services Conf. Rm.)

Non CME — WED—February 13th (DEPARTMENT MEMBERS ONLY — NO CME — in lieu of Grand Rounds)
FACULTY MEETING @ 6:30 am — UW/HSB — T-435 | ALL RESIDENTS MEETING @ 6:30 am — UW/HSB — T-747

**CME** — THURS—February 14th | HMC Conference (GCT-72) | 6:00 AM — “Perioperative Management of Patients with External Ventricular Drains” — Abhijit, Lele, MBBS, MD, MS, Associate Professor & Director, Neurocritical Care Service, Anesthesiology & Pain Medicine, Harborview Medical Center – UW Medicine, Seattle, WA. 
Learning Objectives — At the conclusion of this presentation, attendees should be able to: (1) Understand epidemiology of patients with external ventricular drains; (2) Review Society of Neurointerventional Anesthesiology and Critical Care (SNACC), Neurocritical Care Society (NCS) and American Association of Neuroscience (AANN) guidelines on management of patients with EVDs; (3) Review results of the EVD Aware Study; (4) Discuss SNACC EVD guideline implementation strategies.
Financial Disclosure: Dr. Abhijit Lele receives Grant/Research Support from AQUE DUCT CRITICAL CARE; Edje Therapeutics.

Non CME — WED—February 20th | 6:30 AM | UW A&PM Grand Rounds | UW/HSB T-435 — "Advanced Teaching Skills for the OR: How to Teach Effectively When Faced with High Clinical Workload and Lack of Time?" — Visiting Professor: Marek Brezinski, MD, PhD, Professor of Critical Anesthesia, Department of Anesthesia and Perioperative Care, University of California San Francisco, CA. Learning Objectives — At the conclusion of this presentation, attendees should be able to: (1) Describe the current and relevant teaching theories; (2) Explain the development of clinical decision making by residents; (3) Identify potential obstacles to teaching in the fast-paced, high-pressure environment of the OR; (4) Describe simple approaches to optimize the curriculum, as well as effective techniques to improve teaching, while not compromising quality of care. Financial Disclosure: Dr. Brezinski receives financial compensation from Teva, Inc, for consulting, speaking and teaching. In addition, he receives grant/research support from Teva, Inc, and Griffols Pharmaceutical Company. (For more information, contact: Julie Baker at bakerja@uw.edu.)

Non CME — THURS—February 21st | HMC QA Conference (GCT-72) | 6:00 AM | DEPARTMENT MEMBERS ONLY — No CME — Dr. Hernando Olivar, Moderator

CME — WED—March 6th | 6:30 AM | UW A&PM Grand Rounds | UW/HSB T-435 — "Who’s Conscious: functional imaging of anesthesia in C. elegans" — Visiting Professor: Christopher W. Connor, MD, PhD, Assistant Professor, Harvard Medical School Department of Anesthesiology, Brigham and Women's Hospital, Boston, MA.
Learning Objectives — At the conclusion of this presentation, attendees should be able to: (1) Explain the role of functional imaging in C. elegans in resolving the gap in resolution inherent in current techniques; (2) Explain the practical utility of functional versus fixed transgenic fluorescent marker proteins; (3) Explain the differences between bright field microscopy, confocal microscopy and light sheet (SPIM) microscopy.
Financial Disclosure: Dr. Connor has no financial relationships to disclose.
(For more information, contact: Julie Baker at bakerja@uw.edu.)

OPEN — THURS—February 28th | HMC Conference (GCT-23) | 6:00 AM

The University of Washington School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Washington School of Medicine designates this live activity for a maximum of 60.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. (1 credit per session)

CONFERENCE ROOM RESERVATIONS— Hornbein Library, BB1444, and Executive Conference Room, BB1416 Search “Rooms” for Anesth,HSB,BB1444 or Anesth,HSB,BB1416. Non-Outlook Exchange users may contact JULIE BAKER (206)543-2475 or bakerja@uw.edu or FRED HILARIO (206) 221-2986 or hilariof@uw.edu for assistance.

The University of Washington is committed to providing access, equal opportunity and reasonable accommodation in its services, programs, activities, education and employment for individuals with disabilities. To REQUEST DISABILITY ACCOMMODATION contact the Disability Services Office (DSO), at least ten days in advance of the event at 543-6450 (voice); 543-6452 (TTY); 685-7286 (FAX) dso@uwashington.edu (E-mail). For more information about DSO: http://www.washington.edu/admin/dis.

The WEEKLY BULLETIN is distributed every FRIDAY. The deadline for submitting items is 4:30 PM on the preceding THURSDAY. If you have any questions about the Bulletin or wish to submit items please contact JULIE BAKER at 543-2475 or bakerja@uwashington.edu The Weekly Bulletin also may be viewed online at: www.UWANESTHESIOLOGY.ORG
