

AMY HINTERBERGER, PH.D.

Department of Bioethics and Humanities
School of Medicine
University of Washington

<https://depts.washington.edu/bhdept/amy-hinterberger-phd>
www.linkedin.com/in/amy-hinterberger-phd

1959 NE Pacific St
Room A204
Seattle, USA
amyhint@uw.edu

POSITIONS

- 2024 - Associate Professor and Chair, Department of Bioethics and Humanities, University of Washington
- 2018 - 2024 Associate Professor, Department of Global Health and Social Medicine, King's College London
- 2013 - 2017 Assistant Professor, Sociology Department, University of Warwick
- 2014 - 2014 Postdoctoral Fellow, Program on Science, Technology and Society, Harvard University
- 2011 - 2013 Postdoctoral Research Fellow, Institute for Science, Innovation and Society, University of Oxford
- 2010 - 2011 Postdoctoral Research Fellow, School of Advanced Study, University of London

EDUCATION

- 2010 Ph.D., LSE, BIOS Centre for the Study of Bioscience, Biomedicine and Society & Sociology Department
- 2005 MSc., LSE, Gender Institute (Distinction)
- 2003 B.A., Political Science, University of Victoria (First Class Honors)

FELLOWSHIPS AND VISITING APPOINTMENTS

- 2024 External Faculty Associate, W. Maurice Young Centre for Applied Ethics, School of Population and Public Health, University of British Columbia
- 2022 - 2023 Visiting Associate Professor, W. Maurice Young Centre for Applied Ethics, School of Population and Public Health, University of British Columbia
- 2013 - 2018 Associate Fellow, Institute for Science, Innovation and Society, School of Anthropology and Museum Ethnography, University of Oxford (non-stipendiary)

- 2018 Visiting Researcher, Centre for Medical Science and Technology Studies,
University of Copenhagen
- 2017 Visiting Fellowship, Institute of Advanced Studies, University College
London
- 2017 Visiting Research Fellowship, Brocher Foundation (declined)
- 2012 Visiting Researcher, Centre for Ethics and Law in the Life Sciences, Leibniz
Universitaet Hannover, Germany

RESEARCH FUNDING & GRANTS

- 2020 Wellcome Trust Investigator Award in Humanities and Social Science
PI: Amy Hinterberger, Biomedical Research and the Politics of the Human
\$753,351
- 2018 Faculty of Social Sciences Research Award, University of Warwick
PI: Amy Hinterberger, Changing definitions of the human research subject in
biomedicine, \$4784
- 2017 Wellcome Trust Seed Award in Humanities and Social Science
PI: Amy Hinterberger, Blood and tissue samples as human subjects, \$47,843
- 2016 Warwick International Higher Education Academy (WIHEA)
PI: Peter Brommer (Engineering, Warwick), Co-I: Amy Hinterberger ‘Should I stay
or should I go?’ Assessing impact of lecture capture on classroom attendance, \$2,392
- 2015 Research Development Fund, University of Warwick
PI: Amy Hinterberger, Science and Sovereignty in an Age of Big Data, \$ 5,980
- 2014 Wellcome Trust Small Grant in Society and Ethics
PI: Amy Hinterberger, Humanized Animals, \$5,956
- 2014 Faraday Institute for Science and Religion & Harvard University
PI: Sheila Jasanoff (Harvard), Amy Hinterberger: Research Fellow on project with
salary paid to Warwick University in form of research award, \$11,960
- 2014 Brocher Foundation Grant
PI: Amy Hinterberger, Co-I: Ernesto Schwartz-Marin (Exeter) Genomic Sovereignty
in a Global Context: Comparative Exchanges on Justice, Ethics and Medicine, \$6,578
- 2013 European Research Council
PI: Javier Lezaun (Oxford), Amy Hinterberger: Research Fellow, BioProperty:
Biomedical Research and the Future of Property Rights: Salary paid to University of
Warwick in form of research award, \$ 16,745

PRIZES AND AWARDS

- 2011 International Academic Relations Prize, Foreign Affairs and International Trade
Canada (DFAIT)
- 2011 Conference Grant Funding Award, School of Advanced Study, University of London
- 2010 Research Committee Award, Department of Sociology, LSE
- 2010 Foundation for the Sociology of Health and Illness Travel Award
- 2006 Doctoral Fellowship, Social Sciences and Humanities Research Council of Canada
- 2010 Research Studentship, Department of Sociology, LSE
- 2010 Harshman Society Fellowship
- 2009 Universities UK Overseas Research Scholarship
- 2007 Central Research Fund Fieldwork Award, University of London

- 2007 Postgraduate Travel Award, LSE
2004 Graduate Merit Prize, LSE
2004 Social Sciences and Humanities Research Council of Canada (SSHRC) Graduate Fellowship (declined)

Publications under review

Peer-Reviewed Journal Articles

Bea, S and Hinterberger, A. 'After stem cells: A multi-sited ethnography of bioengineering human organoids, submitted to *Sociology of Health and Illness*

Publications in preparation

Peer-Reviewed Journal Articles

Hinterberger, A & Stelmach, A 'From emergence to emergency: Organoids at the forefront of infectious disease research' for submission to *Global Public Health*

INVITED TALKS - SELECTED

2022 European Molecular Biology Laboratory – Institute of Bioengineering of Catalonia Ethics Address for Engineering Multicellular Systems, ‘Biotechnology and Human Futures’, Barcelona, June 8 -10.

2022 University of British Columbia, Seminar in Applied Ethics 2022-23, ‘How do scientists model humanness? A qualitative study of human organoids in biomedical research’, Vancouver, October. 15.

2022 American Anthropological Association Annual Meeting, Invited Panellist, Towards an Anthropology of Nearness, ‘Approximating the Human’, November 9-13.

2021 Wellcome Centre Symposium: National Syndromes, University of Exeter, ‘Biomedical ethics and empire’, 1 July.

2020 US National Institutes of Health funded Actionable Ethics Oversight for Human-Animal Chimera Research, ‘Expert Work Group Member presentation’, Hasting Center, USA. 30 April.

2020 Science Gallery London, ‘Chimerism in context’ Conversations between scientists and artists: Genders programme, London, 10 March.

2019 UCLA Center for European and Russian Studies, Racism and White Supremacy in Europe, ‘Brexit and Biomedicine’, 21-22 February.

2019 Regulating at the Margins of Health Research Symposium, Royal Society of Edinburgh, ‘Regulating Interspecies Mammalian Chimeras’ 10-11 April.

2019 National cultures of animals, care and science, Department of Sociology, LSE, 16-17 September.

2018 York University STS and University of Toronto, Institute for the History and Philosophy of Science and Technology, 2018 Binocular Conference, Invited Keynote, May 18-19.

2018 Monash University, Making Biofutures: Anticipating the futures of Biomedicine, Healthcare and Life itself, Invited Speaker, Prato Campus, 11-12 June.

2018 University of Copenhagen, Centre for Medical Science and Technology Studies, Invited Speaker, 17 April.

2017 Ghent University, (Dis)Claiming Pasts: Ownership, Responsibility and Contestation Conference, ‘Repatriating Blood: Ethics, Property and Ownership in Biomedical Research’ Invited Keynote, 14-15 December.

2017 University of Edinburgh, ‘Marked “h” for human: Chimeric life and the politics of the human.’ Department of Science, Technology and Innovation Studies Seminar Series, 13 November.

- 2017 University College London, 'Re-enchanting the human through chimeric life.' Talking Point Lecture Series, Institute for Advanced Studies, 26 September.
- 2017 Durham University, 'Before and After the Return: Repatriating Indigenous DNA.' ESRC Seminar Series on Genetics, Security and Justice, 20 July.
- 2017 University of Wisconsin-Madison, 'Rewriting Life.' Gene Editing: The Future of Disease, Bodies and Life, Holtz Center for Science and Technology Studies, 20 April.
- 2016 Wissenschaftszentrum für Sozialforschung Berlin (WZB), 'Who and what constitutes the human subject in a right to health?' Health, Wellbeing and Subsistence in the History of Socioeconomic Rights, Duties, and Obligations, 10-11 November.
- 2016 University of Buffalo, SUNY, 'The Humanization of Biology.' Gene Editing: Life and Law Beyond the Human, October 21-22.
- 2016 University of Leicester, 'Chimeric Life.' The Animal Challenge to the Social Sciences, May 18-19.
- 2016 Harvard University, 'Constituting the Human across Molecular Scales.' The Molecularization of Identity: Science and Subjectivity in the 21st Century, Program on Science, Technology and Society, April 29-30.
- 2014 Hanyang University, 'Heredity Decentered: Populations, Publics and Property in a Genomic Era.' Borders in the Making: Genealogical Knowledge, Practice, and the Politics of Difference, Research Institute of Comparative History and Culture, Korea, 12-13 December.
- 2014 Harvard University, 'Humanisation Across Spectrums of Life: Chimeric Entities and the Exchange of Hereditary Materials.' Chimeric Imaginaries: Refiguring the Human in Science, Law, and Life, Program for Science, Technology and Society, 9 October.
- 2014 University of Sussex, 'Genomic and Viral Sovereignty: Tethering the Materials of Global Biomedicine' Genetics, Genomics and Global Health – Inequalities, Identities and Insecurities, 18 July.
- 2013 Nanyang Technological University, 'Before and After the Return: Repatriating Indigenous DNA'. Biology, Medicine, and Race Beyond the Genome, Singapore, 16-18 January.
- 2012 University of Amsterdam, 'Molecular Multiculture: Populations, Publics and the Unexamined Life of DNA in Canada.' Ir/relevance of Race in Science and Society Seminar Series. Department of Anthropology, 11 July.
- 2012 University of Oxford, 'When the Nation and Biology Meet: Exploring the Social and Cultural Politics of New Genetic Technologies in Canada'. North American Studies Seminar Series. St. Antony's College, Oxford, 14 May.
- 2011 'Genome Research and Indigenous Groups: The Concept of "DNA on Loan"'. Joint Workshop on Ethics and Genomics Research in Africa. Abuja, Nigeria, 28 & 29 November.
- 2011 Harvard University, 'Human-Animal Chimeras'. The Constitutional Foundations of Bioethics. Program for Science, Technology and Society, 10 November.

2011 Kyoto University, “‘We’re in it for Life’: Multicultural Politics and Biomedical Genomics in Canada”. *The Interface of Humanities and Genomic*, 21-23 January

CONFERENCES

Conferences Organized

2017 *International Symposium on Bioscience and the Politics of the Human*, Wellcome Trust, London, 9 June.

2016 *Arguing with Justice: Problematizing the Benefits of the Biosciences*, University of Warwick, 27 June (with Rosalind Williams).

2016 *Biopolitical Matters: What is Biopolitics Today? Authority & Political Technologies (APT) Network Symposium*, University of Warwick, 13-14 June (with Claire Blencowe and Illan Wall).

2014 *Genomic Sovereignty in a Global Context: Comparative Exchanges in Justice, Ethics and Genomic Medicine*, Brocher Foundation, Switzerland, 4-5 December (with Ernesto Schwartz-Marin).

2013 *Animal Exchanges: Anthropologies Between and Beyond Species*. Institute for Science, Innovation and Society, School of Anthropology and Museum Ethnography. University of Oxford, 24 May (with Javier Lezaun & Natalie Porter).

2012 *The Lives of Property*. Institute for Science, Innovation and Society, School of Anthropology and Museum Ethnography. University of Oxford, 20-21 September (with Javier Lezaun).

2011 *Identity, Diversity and Governance: Canadian Perspectives*. Institute for the Study of the Americas, School of Advanced Study. University of London, 3 October.

2009 *International Symposium on Human Genomic Diversity and Biomedical Practice*. BIOS Centre, London School of Economics and Political Science, 27-28 March (with Andy Smart).

Panels Organized

2018 ‘Diagnosis Brexit: Health, justice, and the biopolitics of revanchism’ *Undisciplining: Conversations from the Edges, Sociological Review Conference*, Gateshead, June 19-21 (with Des Fitzgerald)

2015 ‘Tethering Life: Origins of Value and Proprietary Struggles in Biological Economies’ *Society for the Social Studies of Science Annual Conference*. Denver, CO, November 11-14 (with Natalie Porter).

2013 ‘The Genomics of Sameness’ *Society for the Social Studies of Science Annual Conference*. San Diego, California 9 - 12 October (with Amade M'charek).

2013 ‘Biomobilities – Travel, Movement and Relationality in Contemporary Biological Materials and Knowledges’. *International Society for History, Philosophy and Social Studies of Biology* (ISHPSSB). Montpellier, 7-12 France (with Des Fitzgerald).

2012 ‘Difficult Separations: Disentangling Humans and Non-humans’. 111th *American Anthropology Association Annual Meeting*. San Francisco, CA 14-18 November (with Javier Lezaun).

2012 ‘Exchange and Ownership in Human and Animal Bodies’. *The European Association for the Study of Science and Technology*. Copenhagen 17-20 October.

2010 ‘Vital Legacies: Indigenous Body Parts and Global Knowledge Production’. *Society for Social Studies of Science (4S) Annual Meeting*. Tokyo 25-29 August (with Emma Kowal).

Papers Presented – Selected

2022 British Sociological Association, Medical Sociology Conference, ‘How do Scientists Model Humanness?’ (with Sara Bea), Lancaster, 14-16 September.

2016 ‘Chimeric Life and the Humanization of Biology’ European Association for the Study of Science and Technology Conference, Barcelona, August 31 - September 3.

2014 ‘Genomic and Viral Sovereignty: Tethering the Materials of Global Biomedicine’ *Genomic Sovereignty in a Global Context: Comparative Exchanges in Justice, Ethics and Genomic Medicine*, Brocher Foundation, Switzerland, 4-5 December.

2014 ‘Sovereignty and the Contemporary Politics of Biology: Dilemmas of Enclosure, Capital and Temporality’ *Authority and Political Technologies Network Conference: Power in A World of Becoming*, University of Warwick, 2-3 June (with Ernesto Schwartz-Marin)

2013 ‘Proprietary Entitlements and Sameness: Enclosing a Sovereign African Genome’ *Society for Social Studies of Science (4S) Annual Meeting*. San Diego, 9-12 October.

2013 ‘Repatriating Indigenous DNA in a Genomic Age’. *Cascadia Seminar 2013: Ethnographic Adventures in Medical Anthropology*. Simon Fraser University, 12-14 April.

2012 ‘Regulating Estrangement: Human-animal Chimeras in Biomedicine’. *111th American Anthropology Association Annual Meeting*. San Francisco, 14-18 November.

2012 ‘Claiming Sovereignty over Viruses and Genomes: Exploring Acts of Owning and Appropriating in International Collaborative Life Sciences Research’. *The Creativity of Property: An Interdisciplinary Workshop on the Reinvention of Ownership*. Department of Anthropology, University College London, 26 June (with Natalie Porter).

2010 ‘“DNA on Loan”? The Politics of Property, Indigenous Identity and Inclusion’. *Society for Social Studies of Science (4S) Annual Meeting*. Tokyo, 25-29 August

2009 ‘Public Health Genomics and Multicultural Politics’. *Mapping the Genomic Era: Measurements and Meanings*. ESRC Genomics Network Conference, Cardiff, UK 7-9 October.

2009 ‘Genome-wide Association Studies: Making Population Homogeneity and Variation Meaningful in Health and Disease’. *Vital Politics III: The Life Sciences in an Age of Biological Control*. London School of Economics, 16-19 September.

2008 ‘The Use of “Race” in Canadian Genomics Research’. *What’s the Use of Race?*, Centre for the Study of Diversity. Massachusetts Institute of Technology (MIT), Cambridge, 24-25 April.

2008 ‘Genomic Cartographies: Race, Ethnicity and Populations in Canada’. *DNA, Race and History*. Centre for Race and Ethnicity, Rutgers University (N.J.), 18-19 April.

2007 ‘A Brave New World? Charting the debate of genomic difference in the biological horizon’. *Science Futures*. Centre for the History of Knowledge (ETH Zurich and University of Zurich), 6-9 February.

Other Speaking/Presenting Roles

- 2020 - 2021 Invited Workshop Participant, Wellcome Trust funded Working Group on Tissue Based Products
- 2019 Invited Panellist, Working Interdisciplinarily: Opportunities and Challenges, British Sociological Association Early Career Researcher Forum, 4 June.
- 2014 Invited Panellist, ‘Making the most of uncertainty and transience for early career success in the social sciences workshop’, University of Exeter, 16 May, 2014.
- 2013 Discussant, *Data Matters Workshop*, University of Oxford, 20 September.
- 2013 Discussant, *Global Health & Science and Technology Studies Workshop*, Department of Health, Ethics & Society (HES), Maastricht University, 12-13 November.
- 2012 Panellist, PhD Review, Sociology Forum, LSE, 18 June.

TEACHING

Fellow, UK Higher Education Academy Accreditation, 2017 - present

Teaching

University of Washington, 2024-

Undergraduate

Guest Lecturer, Ethics of Emerging Biotechnology, Dept. of Bioethics and Humanities

Guest Lecturer, Population Bioethics, Dept. of Bioethics and Humanities

King’s College London, 2018 - 2024

Undergraduate

Convenor, Ethics of Emerging Biotechnologies

Convenor, Dissertation Laboratory
Lecturer, Key Concepts in Social Medicine
Postgraduate
Convener, Foundations in Global Health and Social Medicine
Lecturer, Critical Global Health
Lecturer, Workshops for Global Health and Social Medicine Dissertation module

University of Warwick (2013-2018)

Undergraduate
Bodies, Property and Politics (Convener)
Designing and Conducting Social Research (Convener)
Dissertation Module (Convener)
Animals, Society and Culture (Convener)
Postgraduate
Sociology in a Biological Age (Convener)
Genetics: Science & Society (Lecturer)
State of the Art of Sociology (Lecturer)
Postgraduate Research/Doctoral :
Research Process and Research Design (Lecturer)

University of Oxford (2012)

Postgraduate
Introduction to Medical Anthropology (Tutor)
Studies in Medical Anthropology (Lecturer)

London School of Economics (2008 – 2011)

Undergraduate
Gender and Society (Lecturer & Graduate Teaching Assistant)
Postgraduate
Race and Biopolitics (Lecturer)
Topics in Race, Ethnicity and Post-colonial Studies (Lecturer)

RESEARCH SUPERVISION & MENTORSHIP

Postdoctoral Fellows Directly Supervised:

Dr. Aleksandra Stelmach, Postdoctoral Research Associate, Wellcome Trust Investigator Award, Biomedical Research and the Politics of the Human (2023 - 2024)

Dr. Sara Bea, Postdoctoral Research Associate, Wellcome Trust Investigator Award, Biomedical Research and the Politics of the Human (2020 – 2023)

Research Assistants Directly Supervised:

Llona Kavege, Wellcome Trust Investigator Award, Biomedical Research and the Politics of the Human (2023 - 2024)

Sarah Kowalski, Research Assistant, Wellcome Trust Investigator Award, Biomedical Research and the Politics of the Human (2020 – 2022)

Ceri Flooke, Research Assistant, Wellcome Trust Investigator Award, Biomedical Research and the Politics of the Human (2020)

PhD Supervision

Jessica Tatchell, London Interdisciplinary Social Science Doctoral Training Partnership funded ESRC 1 +3, US-UK Fulbright Scholarship, ‘Exploring the ethical, legal and social implications of epigenetics’, King’s College London

Sandra Loder, London Interdisciplinary Social Science Doctoral Training Partnership funded ESRC +3, ‘New life forms, old problems? – Exploring the German bioethical debate on synthetic embryos’, King’s College London

Joanna Cuttell ‘Trauma, Accumulation and Ethical Action in Affective-Immersive Gaming’, 2017, University of Warwick

Kathryn Medien, Economic and Social Research Council Studentship, ‘Intimate Occupation: Sexual Biopolitics in Colonized Palestine’ 2018, University of Warwick

PhD Examinations:

External Examiner, Goldsmiths, Department of Sociology, Sibille Merz “‘India actually is the ideal genetic milieu’ Race, ethnicity and transnational biomedical research in the post-genomic age’ 2018

Internal Examiner, University of Warwick, Steve Birks, ‘The Everyday Life of a Woodland Nature Research: An Ethnographic Study’ 2017

SERVICE

KING’S COLLEGE LONDON, 2018 - 2024

Director, Undergraduate Programme, Department of Global Health and Social Medicine 2022 – 2023

Director, Postgraduate Research Programme, Department of Global Health and Social Medicine, 2020

Director, Biotechnology and Society Research Group, Department of Global Health and Social Medicine, 2020

GHSM Lead, GHSM Fully Flexible Learning Working Group, 2020

Member, GHSM Research Committee, 2020

Member, GHSM Postgraduate Research Committee, 2018, 2020
Deputy Director, Postgraduate Research Studies, Department of Global Health and Social Medicine 2018 - 2019
GHSM Representative, School of Global Affairs Safety Committee, 2019 - 2020
Co-organizer, Humanisms and their Afterlives Reading Group, 2019 – 2020
PhD Upgrade Reviewer, Fatima Elfitouri, 2020
Reviewer, Global Health & Social Medicine Grant Academy, 24 October 2018
Interview panel member, Wellcome Trust Investigator Award Mock Panel, 15 January 2019
Speaker, Global Health & Social Medicine Taster Day, 5 December 2019

UNIVERSITY OF WARWICK (2013 – 2018)

Director, Undergraduate Research Support Scheme, Department of Sociology, 2017
Member, PhD Programs Committee, Department of Sociology, 2017
Reviewer, REF Reading Group Committee, Department of Sociology, 2017
Member, Appointments Interview Panel, Department of Sociology, 2016
Department Liaison, Warwick's Widening Participation Programme, 2015, 2016
Organiser, Department of Sociology Annual Study Trip, 13-17 March, Denmark, 2016.
Director, Body, Science and Society Research Cluster, Department of Sociology, 2014, 2015
Member, International Sub-Group of the Academic Quality and Standards Committee, 2015
Member, Undergraduate Programs Committee, Department of Sociology, 2015, 2016
Member, Research Committee, Department of Sociology, 2014, 2015, 2016.
Member, Equality and Diversity Working Group, Department of Sociology, 2015, 2016
Panellist, Interdisciplinary Workshop on Animals and Post-human Futures, Institute of Advanced Studies, University of Warwick, 28 June, 2014.
Convenor, Research Seminar Series, Department of Sociology, 2013 – 2014
Sociology Department Liaison, Warwick Career Services, 2014
Panellist, Sociology Students Society Panel Discussion, University of Warwick, 28 November 2013.

SERVICE TO PROFESSION

Invited Member, Wellcome Trust, Career Development Interview Committee, 2021 - present
Expert Review Consultant, *Collaborative Institutional Training Initiative Programmes (CITI Program)*, 2020
Member, *Wellcome Trust Social Science & Bioethics Early Career Expert Review Group*, 2019
Member, *NIH funded Actionable Ethics Oversight for Chimera Research Work Group*, 2019 – 2022
Editorial Board Member, *Science as Culture*, 2017 -
Executive Committee Member, *Feminist and Women's Studies Association* (UK and Ireland), 2007- 2010
Editor, *Feminist and Women's Studies Association Newsletter* (UK and Ireland), 2007- 2010

Referee for Journals:

BioSocieties; Canadian Review of Sociology; Developing World Bioethics; Ethnicity and Health; Ethnic and Racial Studies; Feminist Theory; Genealogy; Identities: Global Studies in

Culture and Power; New Genetics and Society; Science as Culture; Signs: Journal of Women in Culture and Society; Science, Technology and Human Values; Security Dialogue Social Studies of Science; Sociology of Health and Illness; Theory, Culture and Society; The Sociological Review

Referee for Granting Agencies:

British Academy, Economic and Social Research Council (ESRC), EUTOPIA Science and Innovation Post-doctoral Fellowship program, Social Sciences and Research Council of Canada (SSHRC), National Science Foundation (NSF)

Referee for Manuscript Review:

Manchester University Press, Palgrave Macmillan, Oxford University Press
