- Healthy Homes: CBPR in the context of a randomized controlled trial of an in-home environmental intervention to reduce asthma morbidity

**2:30 pm-4:30 pm**

- CBPR and Nutrition
- CBPR and environmental health

**10:00 am-11:30 am**

Keynote Speaker: Robert Goodman

Robert Goodman

Professor

School of Public Health and Tropical Medicine at Tulane University

**AGENDA**

Choose from concurrent workshops on CBPR methods and how CBPR can advance understanding and action on important public health concerns.

Faculty and community leaders engaged in CBPR partnerships for public health will share their expertise and experiences.

**CONCURRENT WORKSHOPS:**

12:30 pm-2:30 pm

- CBPR and Domestic Violence
- Healthy Homes: CBPR in the context of a randomized controlled trial of an in-home environmental intervention to reduce asthma morbidity

2:30 pm-4:30 pm

- CBPR and Nutrition
- CBPR and environmental health

**CONFEREECE GOALS:**

- Increase understanding of CBPR and how it is applied in a variety of settings/content areas
- Help to build a supportive network of individuals who are interested and/or involved in CBPR
