The Monthly Monitor

Announcements

Loss of a dear friend and colleague,
Julius Schacter

As many of you already know, last month our field lost a real giant, Julie Schachter. Julie was one of the true pioneers in chlamydia research. He was a creative and prolific researcher, the longtime editor of

Upcoming Events

[CFAS Seminar Series: *Mycoplasma*](#)

Sexually Transmitted Diseases, and a no BS kind of guy who was consistently generous with his unvarnished opinions. Julie was a great collaborator and real friend to many of us at UW. We will miss him.

- Matthew Golden, MD, MPH

Director, UW Center for AIDS and STD (CFAS)
