W UNIVERSITY of WASHINGTON

CENTER *for* **AIDS & STD**

The Monthly Monitor

September 2021

Request for Applications for CFAS New Collaboration Grant

We are excited to announce the availability of [New Collaboration Grants \(NCGs\)](#) from the UW Center for AIDS & STD! The purpose of this grant program is to foster new collaborations and research between University of Washington (UW) faculty, particularly junior faculty, and health department HIV/STD programs, health care organizations, and other organizations and agencies working in the area of HIV/STD in Washington State. These collaborations should seek to augment the HIV/STD control infrastructure of the State and to improve the health of Washington State residents through enhanced public health practice, clinical services, and/or research.

For more details on eligibility, budget guidelines, and application content, [please review the attached Request for Applications](#). The deadline for applications is November 15, 2021, and questions may be addressed to cfas@uw.edu.

Announcements

CFAS is currently creating a webpage that will accumulate all the latest trials under the center. It would provide as an excellent resource for researchers, trainees, providers and patients to understand what is going on in the center. If you are interested in placing your latest trials into our website page, [please fill out this form](#). And please let us know if you have any questions.

CFAS Biostatistics Consultation Service

CFAS is piloting new service to provide [biostatistical consultations](#) for STD researchers, to promote development of research funding. CFAS is partnering with the Biometrics Core of the UW/Fred Hutch Center for AIDS Research (CFAR) to provide this service. Consultations are subject to staff availability. To inquire about this service, please contact cfas@uw.edu. More information about CFAR Biometrics Core services can be found [here](#).

Funding Opportunities

Small Clinical Trials Advancing HIV Remission and Cure

Application Deadline: September 1, 2021
