

Save the Date!

Cystic Fibrosis Annual Retreat

Wednesday, September 27, 2017

Please save the date for our annual Cystic Fibrosis Annual Retreat hosted by the CF Research Development Program (RDP) and CF Research Translation Center (CFRTC)! This special event brings together CF researchers and investigators to highlight the accomplishments of these programs and inspire collaborations.

Wednesday, September 27, 2017, 8 a.m. to 6 p.m.

Center for Urban Horticulture, 3501 NE 41st Street, Seattle

Breakfast	8:00 – 8:30 a.m.
Program	8:30 – 5:00 p.m.
Poster Presentation	12:00 – 1:30pm
Social Hour & Awards	5:00 – 6:00 p.m.

Keynote Speaker

Katie Larson Ode, MD, MS

Katie Larson Ode is a Clinical Assistant Professor of Pediatrics in Endocrinology and Diabetes at the University of Iowa. Her area of research interest is Cystic Fibrosis Related Diabetes Mellitus (CFRD), including the early origins and onset and pathophysiology.

Presentations

P30 & RDP Pilots and Fellows Presentations

The day will highlight several presentations from the P30 & RDP pilot and fellowship.

Poster Viewing Presentation

Poster presentations will be available for viewing in Merrill Commons at the Center for Urban Horticulture during the lunch break.

Social Hour and Awards

Light appetizers and beverages will be served from 5-6pm in the Merrill Commons. The Charlie Moore and Safeway Award recipients will also be announced.

NEW - Poster Session

Junior Faculty and Trainees are invited to present posters at the new Poster Presentation Session

Submission deadline is June 15, 2017
