AN ACT Relating to creating the covenant homeownership account and program to address the history of housing discrimination due to racially restrictive real estate covenants in Washington state; amending RCW 36.18.010, 43.84.092, and 43.84.092; reenacting and amending RCW 42.56.270; adding a new section to chapter 36.22 RCW; adding a new chapter to Title 43 RCW; creating new sections; providing an effective date; and providing an expiration date.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Sec. 1. (1) The legislature finds that:
(a) Generations of systemic, racist, and discriminatory policies and practices have created barriers to credit and homeownership for black, indigenous, and people of color and other historically marginalized communities in Washington state. The legislature finds that these policies and practices include redlining, racially restrictive covenants, mortgage subsidies and incentives, and displacement and gentrification.
(b) The state government was both an active and passive participant in this discrimination. For example, the legislature recognizes the role of state courts in facilitating discrimination by property owners; the existence of mandatory recording statutes that required county auditors to record racially restrictive covenants;
the passage of the urban renewal law authorizing the designation,  
regulation, and displacement of certain neighborhoods that were  
deemed to be blighted; and state funding and regulation of the real  
estate and banking industries in ways that facilitated or promoted  
private discrimination. The legislature finds that the specific  
discriminatory acts and omissions are well documented, including in  
numerous public and private studies, reports, and other publications.  
(c) This discrimination and its impacts continue to exist in the  
present day. The legislature recognizes that the homeownership rate  
for black, indigenous, and people of color and other historically  
marginalized communities in Washington is 19 percent below that of  
non-Hispanic white households, and the homeownership rate for black  
households is even lower. The legislature recognizes that credit,  
including home mortgages, is harder and more expensive to obtain for  
black, indigenous, and people of color and other historically  
marginalized communities in Washington than for non-Hispanic white  
households. The legislature finds that the imbalance in supply and  
demand in Washington's housing market has only exacerbated these  
inequities.  
(d) These negative impacts extend beyond homeownership and affect  
wealth generation, housing security, and other outcomes for black,  
indigenous, and people of color and other historically marginalized  
communities in Washington. The legislature finds that these impacts  
include higher rates of homelessness, rent burdening, substandard or  
otherwise unhealthy or unsafe housing, and predatory and  
discriminatory lending practices that lead to further displacement  
and gentrification.  
(e) Existing state and federal programs and other race-neutral  
approaches are insufficient to remedy that discrimination and its  
impacts on access to credit and homeownership for black, indigenous,  
and people of color and other historically marginalized communities  
in Washington. The legislature finds that race-conscious programs,  
such as the special purpose credit programs authorized by section 6  
of this act, are necessary to remedy the past discrimination in which  
the state was complicit and to remove the structural barriers that  
persist.  
(2) The legislature declares that the state has a compelling  
interest in remedying past and ongoing discrimination and its impacts  
on access to credit and homeownership for black, indigenous, and
people of color and other historically marginalized communities in Washington.

NEW SECTION. Sec. 2. A new section is added to chapter 36.22 RCW to read as follows:

(1) Beginning January 1, 2024, except as provided in subsection (2) of this section, the county auditor must collect a covenant homeownership program assessment of $100 for each document recorded, which is in addition to any other charge, surcharge, or assessment allowed by law. The county auditor may retain up to one percent of the moneys for collection of the assessment and must remit the remainder of the moneys to the state treasurer to be deposited in the covenant homeownership account created in section 4 of this act.

(2) The assessment imposed in this section does not apply to: (a) Assignments or substitutions of previously recorded deeds of trust; (b) documents recording a birth, marriage, divorce, or death; (c) any recorded documents otherwise exempted from a recording fee or additional assessments under state law; (d) marriage licenses issued by the county auditor; (e) documents recording a name change order under RCW 4.24.130; or (f) documents recording a federal, state, county, city, or water-sewer district, or wage lien or satisfaction of lien.

NEW SECTION. Sec. 3. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

Sec. 1691 et seq.) as amended, allowing a creditor to extend special purpose credit to applicants who meet eligibility requirements under a credit assistance program expressly authorized by state law for the benefit of an economically disadvantaged class of persons.

NEW SECTION. Sec. 4. The covenant homeownership account is created in the state treasury. All receipts from the assessment established in section 2 of this act must be deposited into the account. Moneys in the account may be spent only after appropriation. Expenditures from the account may be made only for the purposes of the program described in section 6 of this act. The legislature may appropriate moneys in the account as follows:

(2) The legislature may appropriate the remainder of the moneys in the account to the department to contract with the commission for the purposes of the program described in section 6 of this act.

NEW SECTION. Sec. 5. (1)(a) The commission shall complete, or cause to be completed, an initial covenant homeownership program study. The initial covenant homeownership program study must:

(i) Document past and ongoing discrimination against black, indigenous, and people of color and other historically marginalized communities in Washington state and the impacts of this discrimination on homeownership in the state, including access to credit and other barriers to homeownership in the state;

(ii) Analyze whether and to what extent existing programs and race-neutral approaches have been insufficient to remedy this discrimination and its impacts;
(iii)(A) Recommend and evaluate potential programmatic and policy changes, including creation of one or more special purpose credit programs, to remedy this discrimination and its impacts;

(B) As part of the recommendations related to creation of one or more special purpose credit programs, identify through evidence-based documentation the economically disadvantaged class or classes of persons that require down payment and closing cost assistance in order to reduce racial disparities in homeownership in the state. The class or classes of persons identified in the study may share one or more common characteristics such as, race, national origin, or sex; and

(iv) Identify methodology to evaluate the efficacy of any recommended programmatic and policy changes over time.

(b) By March 1, 2024, and in compliance with RCW 43.01.036, the commission shall submit a copy of the initial covenant homeownership program study to the appropriate committees of the legislature and post a copy of the study to the commission's website.

(2)(a) At least every five years after the initial covenant homeownership program study is completed, the commission shall complete, or cause to be completed, an updated covenant homeownership program study. The updated covenant homeownership program study must:

(i) Update and reevaluate the findings and recommendations contained in the initial covenant homeownership program study and any subsequent program studies;

(ii) Document the experience of program participants and others impacted by past and ongoing discrimination, including their experience accessing or attempting to access credit and any barriers to homeownership in the state that they have faced or continue to face;

(iii) Evaluate the special purpose credit program or programs' efficacy in providing down payment and closing cost assistance to the economically disadvantaged class or classes of persons identified in the initial covenant homeownership program study and any subsequent program studies, and the special purpose credit program or programs' impacts on remedying discrimination and reducing racial disparities in homeownership in the state; and

(iv) Recommend program modifications and improvements.

(b) By December 31, 2028, and by December 31st every five years thereafter, and in compliance with RCW 43.01.036, the commission shall submit a copy of an updated covenant homeownership program...
study to the appropriate committees of the legislature and post a copy of the study to the commission's website.

(c) The board of the commission shall review each subsequent covenant homeownership program study and consider the evidence-based documentation and recommendations in designing and implementing program amendments.

NEW SECTION. Sec. 6. (1) As part of the covenant homeownership program, the department shall contract with the commission to design, develop, implement, and evaluate one or more special purpose credit programs to reduce racial disparities in homeownership in the state by providing down payment and closing cost assistance. The contract must authorize the commission to use the contract funding as follows:

(a) The contract must authorize the commission to use up to one percent of the contract funding for costs related to administering the program including, but not limited to, costs related to completing a covenant homeownership program study required under section 5 of this act, and other administrative, data collection, and reporting costs;

(b) The contract must authorize the commission to use up to one percent of the contract funding to provide targeted education, homeownership counseling, and outreach about special purpose credit programs created under this section to black, indigenous, and people of color and other historically marginalized communities in Washington state, including outreach to relevant affinity groups for mortgage lenders; and

(c) The contract must authorize the commission to use the remainder of the contract funding to provide down payment and closing cost assistance to program participants. This portion of the contract funding may not be used to provide any type of assistance other than down payment and closing cost assistance.

(2) The commission shall create one or more special purpose credit programs to provide down payment and closing cost assistance for the benefit of one or more economically disadvantaged classes of persons identified in a covenant homeownership program study under section 5 of this act. In creating a special purpose credit program, the commission must consider the evidence-based documentation and programmatic and policy recommendations set forth in the initial covenant homeownership program study and any subsequent program studies. If the covenant homeownership program study identifies an
economically disadvantaged class or classes of persons that share one or more common characteristics such as, race, national origin, or sex and the board of the commission finds it necessary to consider this information in tailoring a special purpose credit program to provide credit assistance to economically disadvantaged classes of persons, the commission may consider these characteristics in designing and implementing the program.

(3) At minimum, a special purpose credit program authorized under this section must:

(a) Provide loans for down payment and closing cost assistance to program participants that can be combined with other forms of down payment and closing cost assistance;
(b) Require a program participant to repay loans for down payment and closing cost assistance at the time that the house is sold; and
(c) Be implemented in conjunction with the commission's housing finance programs.

(4) To be eligible to receive down payment and closing cost assistance through a special purpose credit program authorized under this section, a special purpose credit program applicant must:

(a) Have a household income at or below 100 percent of the area median income;
(b) Be a first-time home buyer; and
(c)(i) Be a Washington state resident who:
(A) Was a Washington state resident on or before the enactment of the federal fair housing act (Title VIII of the civil rights act of 1968; P.L. 90–284; 82 Stat. 73) on April 11, 1968, and was or would have been excluded from homeownership in Washington state by a racially restrictive real estate covenant on or before April 11, 1968; or
(B) Is a descendant of a person who meets the criteria in (c)(i)(A) of this subsection;
(ii) Records that show a person's address on or about a specific date or include a reference indicating that a person is a resident of a specific city or area on or about a specific date may be used to provide proof that a person satisfies the criteria in (c)(i) of this subsection, such as genealogical records, vital records, church records, military records, probate records, public records, census data, newspaper clippings, and other similar documents.

(5) The commission may adopt rules, and shall adopt program policies, as necessary to implement this section. Program rules or
policies must include procedures and standards for extending credit under the special purpose credit program, including program eligibility requirements. From time to time, including in response to a covenant homeownership program study's evaluation of program efficacy, the board of the commission may amend the special purpose credit programs, rules, and policies.

(6) By July 1, 2024, one or more of the special purpose credit programs must begin providing down payment and closing cost assistance to program participants.

(7) By December 31, 2025, and by each following December 31st, and in compliance with RCW 43.01.036, the commission shall submit an annual report to the appropriate committees of the legislature on the progress of the special purpose credit program or programs developed under this section. The report shall include, at minimum, the program eligibility requirements, the type and amount of down payment and closing cost assistance provided to program participants, the number of program participants and their corresponding eligibility categories, the location of property financed, and program outreach efforts. The report must be posted on the commission's website.
