WHEREAS, to accomplish these purposes a written statement

in the nature of a DEDICATION of said streets and alleys and a

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS that such a statement is hereby made and the same shall be and is as follows, to-wit:

I. DEDICATION

There has previously been conveyed by the Company to The Longview Public Service Company by deed dated June 6, 1923, to which reference is hereby made, the exclusive rights, privileges and franchises in the streets, and alleys shown on said plat to lay, construct, build, maintain and operate

1. Underground pipes for the furnishing of water, gas, heat and oil;
2. Underground pipes or other instrumentalities underground for conducting and performing any public or quasi-public utility, business or function beneath the surface of the ground;
3. Pole lines, wires, underground cables and other conduits for the furnishing of electricity for light, power, telephone, fire alarm and other services;
4. In the streets only, single or double track street car or interurban lines.

There has previously been conveyed or is to be conveyed by this Company to said The Long-Bell Lumber Company an easement in certain of the streets and alleys shown on said plat and the right to build, construct, keep and maintain therein, sanitary and storm sewers.

Dedication -2-

The Company reserves to itself the right to grade the streets and alleys in accordance with such grades as it may establish; to pave, gravel or lay sidewalks in such of the streets as it deems necessary or desirable; to issue permits for plumbers or others to make cuts or excavations in them when by it deemed necessary and to accept bonds or deposits for the repairing of same; to erect and maintain bridges and other such structures of a permanent character, encroaching on such streets or alleys; to make rules and regulations concerning the parking of vehicles in the streets and alleys and to prohibit the use of any part of a street or alley for parking which may be contrary to such rules and regulations; and, generally, to exercise such control over the streets and alleys as may be within its powers and as it may deem necessary or desirable.

The Company reserves to itself the exclusive right to build, construct and maintain below the surface of said streets and alleys gasoline, oil and other storage tanks and pipes, the construction and maintenance of which shall not be inconsistent with the full beneficial enjoyment of other rights and franchises in said streets or alleys granted by it.

Subject to the foregoing, the Company dedicates said streets and alleys to the public to be used for the usual street and alley purposes, respectively.

No right is intended to be conveyed by this Dedication that is inconsistent with the rights, privileges, franchises and easements heretofore granted by the Company or reserved by it as hereinbefore or hereinafter stated.

Nothing herein contained, either taken by itself or in connection with a deed to any of the lots shown on said plat, shall be deemed to have the effect to convey the title to the land in said streets and alleys, except where the contrary intention is expressly stated in the deed; but the Company reserves the right to convey to

Dedication -3-

any public authority, or to the owners or owner of the lots which abut upon the streets or alleys, or any of them, respectively, all of its rights, title and interest in said streets or alleys, should the Company at any time deem it expedient to do so.

If any public authority shall condemn for public uses any street shown on said plat and in the condemnation proceedings damages shall be awarded to the Company for the taking of such street, the Company agrees to apply the amount received by it as damages in such condemnation proceedings, or so much thereof as may be necessary for the purposes, to reimbursing the owners of any land shown on said plat against whom in such proceedings benefits may have been assessed in excess of the damages awarded to them.
