The lots in the apartment district, except as hereinafter provided shall be used for private residence purposes only and no building of any kind whatsoever shall be erected or maintained thereon except (a) private dwelling-houses and private garages and outbuildings of the kind permitted in the residential district by the next preceding paragraph, and except (b) attached dwelling-houses not exceeding three stories in height exclusive of basement, (c) semi-detached dwelling-houses, or flats, not exceeding three stories in height exclusive of basement, and (d) apartment houses not exceeding six stories in height exclusive of basement.

by the Company, provided, however, that no building shall be erected, maintained or used for any of the purposes mentioned in this paragraph, except by the Company, unless in each case there shall have been filed in the proper office of record a deed or other instrument in writing executed by the Company, approving and specifying the uses to which such building may be put, and, provided further, that no building to be used for a hotel or hospital shall be erected or maintained in the residential district.

Subdivision 3 - Approval of Plans

In the residential and apartment districts, no building, fence, wall or other structure shall be commenced, erected or maintained, nor shall any addition thereto or change or alteration therein be made, until plans and specifications, plot plan and grading plan therefor, or information satisfactory to the Company shall have been submitted to and approved in writing by the Company and a copy thereof as finally approved lodged with the Company. In so passing upon such plans, specifications, plot plan and grading plan, the Company may take into consideration the suitability of the proposed building or other structure and of the materials of which it is to be built to the site upon which it is proposed to erect same, the harmony thereof with the surroundings and the effect of the building or other structure as planned on the outlook from the adjacent or neighboring property.

Subdivision 4 - Minimum Frontage

In the residential and apartment districts, every building erected on any plot shall have appurtenant to it and not occupied by any other building at least fifty feet of ground fronting on the street or which the plot fronts.

If the plot consists of one lot only, and the frontage of

such lot is less than fifty feet, then the minimum quantity aforesaid of fifty feet may be reduced to the frontage of said lot.

Every building erected on any plot shall front or present a good frontage on the street on which said plot fronts.

Subdivision 5 - Set Back From Street Line

In the residential and apartment districts, no building or part thereof, except as hereinafter provided, shall be erected or maintained on any of said lots nearer to the front street, or the side street, than the front building line or the side street building line of the lot or lots on which such building may be erected, as shown on said plat; provided, however, that the Company in the deed to such lot, change said building lines, or at any time thereafter, with the consent in writing of the owner of the fee simple title to such lot, change said building lines, or may change the building lines which it may have established by said deed; provided, however, that no change may be made at any time which, in the residential district, will bring the front building line nearer than fifteen feet to the front street, or the side street building line nearer than five feet to the side street; or which, in the apartment district, will bring the front building line nearer than ten feet to the front street, or the side street building line nearer than two and one-half feet to the side street.

Covered or uncovered, but not enclosed, porches, the floors of which are not higher than the level of the first floor of the building, steps extending not higher than the level of the first floor of the building, bay or other windows, vestibules, cornices, spoutings, chimneys, or other similar projections, if in the residential district, may extend not more than six feet beyond the front building line, and not more than five feet beyond the side street building line; and if in the apartment district, may extend not more than five feet beyond the front building line and not more than five feet beyond the side street building line. Building line as here used is meant the building line as shown on the plat or as changed by the Company in accordance with the next preceding paragraph.

Dedication - 8 -

No fence or wall, except with the Company's consent, in writing, shall be erected or maintained on any lot nearer a front street than the front building line on said lot.

No outbuildings, or part thereof, shall be erected or maintained on any of said lots nearer to the front street or the side street than the outbuilding line of the lot or lots on which such outbuildings may be erected, as shown on said plat; provided, however, that the Company, in the deed to any of said lots, may change said outbuilding line, or may at any time thereafter, with the consent in writing of the owner of the fee simple title to such lot, change said outbuilding line, or may change the outbuilding line which it may have established by said deed; provided further that no change may be made at any time which will permit the erection or maintenance on any lot of any outbuilding more than ten feet nearer to the front street or more than ten feet nearer to the side street than the outbuilding line shown on said plat; and provided further that no change may be made at any time, which will permit the erection or maintenance on any lot of any outbuilding nearer to the front street than the outbuilding line shown on this plat, without the consent in writing of the record owner of the fee simple title to the contiguous lot or lots which fronts or front on the same street, or which will permit the erection or maintenance on any lot of any outbuilding nearer to the side street than the outbuilding line shown on this plat, without the consent in writing of the record owner of the fee simple title to the lot in the same block which adjoins the same side street.

Every outbuilding, except a green-house, erected on any of said lots shall, unless the Company otherwise consents in writing, correspond in style and architecture to the residence to which it is appurtenant and shall be of the same exterior material as such residence.
