In the residential district, no building or part thereof, except as hereinafter provided, shall be erected or maintained on any of said lots nearer to the front street, or the side street, than the front building line or the side street, or the side street, than the lots on which such building may be erected, as shown on said plat; provided, however, that the Company in the deed to such lot, may change said building lines, or may at any time thereafter, with the consent in building lines, or may change the building lines which it may have established by said deed; provided, however, that no change may be made at any time which, in the residential district, will bring the front building line nearer than fifteen feet to the front street, or the side street building line nearer than five feet to the side street;

Covered, or uncovered, but not enclosed porches, the floors of which are not higher than the level of the first floor of the building, steps extending not higher than the level of the first floor of the building, bay or oriel windows, vestibules, cornices, spoutings, chimneys, or other similar projections, if in the residential districts, may extend not more than six feet beyond the front building line, and not more than five feet beyond the side street building line. By "building line", as here used, is meant the building line as shown on the plat or as changed by the Company in accordance with the next preceeding paragraph.

No fence or wall, except with the Company's consent, in writing, shall be erected or maintained on any lot nearer the front sbreet than the front building line of said lot.

Subdivision 6 - Set Back from Side Property Line.

No part of any building, except outbuildings, shall be nearthan four feet to the side property line of the plot upon which

ornamental projections may extend beyond said four foot line, but not

is erected, except that cornices, spoutings, chimneys, and purely

more than three feet beyond said four foot line.

The provisions of this subdivision shall not apply to the retail business district.

The Company shall in all cases have the right to say and determine which are the front street, side street, rear and side property lines of any plot, and also the amount of the set back from said lines necessary to conform to the requirements hereof, and the Company's judgment and determination thereon shall be final and binding on all parties.

Subdivision 8 - Ownership by Anyone Other Than White Race Prohibited.

None of the lots shown on said plat shall be conveyed, leased or given to, and no building erected thereon shall be used, owned or occupied by, any person not of the white race. This pro-hibition, however, is not intended to include the occupancy by a person not of the white race while employed in or about the premises by the owner or occupant of any land shown on said plat.

Subdivision 9 - Easements Reserved in Lots.

Easements and rights of way shall be reserved for the erection, construction and maintenance of

Poles, wires and conduits for the transmission of electricity for lighting, telephone and other purposes, and for the necessary attachments in connection therewith;

Public and private sewers, storm water drains, land drains, pipes, and

Any other method of conducting and performing any public or quasi-public utility or function beneath the surface of the ground.

Such easements and right of way are located on said plat.

And the Company shall have the rights, without liability for damage or trespass, to enter upon said strips of land at any and all times for any of the purposes for which said easements and rights of way are reserved.

And the Company shall have the right at any time to extinguish or vacate such easements and rights of way as to all or any

or any of them, respectively, all of its rights, title and interest in said streets or alleys, should the Company at any time deem it expedient to do so.

If any public authority shall condemn for public uses any street shown on said plat and in the condemnation proceedings, damages shall be awarded to the Company for the taking of such street, the Company agrees to apply the amount received by it as damages in such condemnation proceedings, or so much thereof as may be necessary for the purposes, to reimbursing the owners of any land shown on said plat against whom in such proceedings benefits may have been assessed in excess of the damages awarded to them.

II. RESERVATIONS, RESTRICTIONS AND COVENANTS.

The Company declares that the land shown on said plat above referred to is held and shall be conveyed subject to the reservations, restrictions and covenants set forth in the various subdivisions of this declaration, to-wit:

Subdivision 1 - Definitions.

The "residential district" as that term is used in this state-ment, is intended to mean lots two (2) to nine (9) inclusive in Block 34, and all of Block 35.

The "retail business district" as that term is used in this statement, is intended to mean Lot one (1) and lots Ten (10) to Eighteen (18), both inclusive, in Block 34.

Any lot, except a corner lot, shall be deemed to front on the street upon which it abuts. A corner lot shall be deemed to front on front on the street on which it has the smaller dimension, except where the Company shall designate in any deed conveying any corner lot, hereifter made by it, the street on which such corner lot shall thereafter

The Company, in the deed to any corner lot, or at any time

with the consent in writing of the holder of the fee simple title thereto, may designate a different street as the one upon which such lot shall be deemed to front.

The street upon which a lot fronts, as above provided, shall be deemed to be the front street. Any other street contiguous to such lot shall be deemed to be a side street.

The word "plot" as used in this statement is intended to mean a single piece or parcel of land consisting of one lot or more or less than one lot.

Every plot shall be deemed to front on the street on which the lot or lots constituting said plot front, unless the lot or lots front on more than one street, in which case it shall be deemed to front on both streets.

An "outbuilding", as that word is used in this statement, is intended to mean a covered structure not directly attached to the residence which it serves.

Subdivision 2 - Use of Land.

The lots in the residential district, except as hereinafter provided, shall be used for residence purposes only, and no building of any kind whatsoever, shall be erected or maintained thereon except private dwelling-houses, flats, apartments, family hotels, and private garages for the sole use of the respective owners or occupants of the plots upon which such buildings are erected, or green-houses.

The lots in the retail business district, except as hereinafter provided, may be used for retail mercantile business purposes, including, however, garages and gasoline service stations, or residence purposes, only.

Buildings to be used for schools, churches, libraries, art galleries, museums, hotels, private clubs or municipal service stations, or for recreative, educational, religious, or philanthropic purposes, and buildings and structures to be used for power sub-stations, may be erected or maintained in locations approved by the Company; provided, however, that no building shall be erected, maintained

or used for any of the purposes mentioned in this paragraph, except by the Company, unless in each case there shall have been filed in the proper office of record a deed or other instrument in writing executed by the Company, approving and specifying the uses to which such building may be put.

Parks and playgrounds may be laid out and maintained in locations approved in writing by the Company.

There shall not be erected, permitted or maintained upon any of the land shown on said plat, except with the consent in writing of the Company, any cesspool or privy.

Subdivision 3. - Approval of Plans.

menced, erected or maintained, nor shall any addition thereto or change or alteration therein be made, until plans and specifications, plot plan and grading plan therefore, or information satisfactory to the Company, shall have been submitted to and approved in writing by the Company and a copy thereof as finally approved lodged permanently with the Company. In so passing upon such plans, specifications, plot plan and grading plan, the Company may take into consideration the suitability of the proposed building or other structure and of the materials of which it is to be built to the site upon which it is proposed to erect same, the harmony thereof with the surroundings and the effect of the building or other structure as planned on the outlook from the adjacent or neighboring property.

Subdivision 4. - Minimum Frontage.

Every building erected on any plot shall have appurtenant to it and not occupied by any other building at least fifty feet of ground fronting on the street on which the plot fronts.

If the plot consists of one lot only, and the frontage of such lot is less than fifty feet, then the minimum quantity aforesaid of fifty feet may be reduced to the frontage of said lot.

Every building erected on any plot shall front or present a good frontage on the street on which said plot fronts.
