# Epic Go-Live Training Portal General User Guide

## Epic Training: Before you get started

The majority of learners have already had their Epic training assigned to them by someone else. Please double check that you were properly assigned the correct learning such as (see definitions in glossary below):

- Curriculum
  - o Session
  - o Online classes such as: pre-requisite eLearnings

To verify you've been assigned the correct learning please refer to the Epic Training Course Catalog.

# Understanding your transcript

- 1. From within your transcript, select open "Open Curriculum":
  - a. Note: sometimes you will see sessions outside of the curriculum on your transcript. These are not complete so you should always check your curriculum to see all the sessions you are signed up for.
- 2. Curriculum consists of many learning objects. A few examples are:
  - a. Prerequisite eLearning courses
  - b. Live WebEx training (session): this is the time you are to attend this training, just as if you were in a regular instructor-led class.
  - c. Post-class assessment (EUPA): You must complete the Live WebEx training before completing the assessment.

**Open Curriculum** 

### Access pre-class learning

1. From within your transcript, go to the curriculum you want to take the pre-class training for,

**Open Curriculum** 

select open "Open Curriculum":

- 2. There are two types of pre-learning that may need to be completed:
  - a. pre-requisites
  - b. pre-class self-assessments (providers only)
- 3. If there are pre-class learnings for that curriculum, it will default to opening the section: **Prerequisite e Learning Courses (Recommended).** If not, click this section on the left side.
