Tests of Cognitive Ability

Test	Age Range											
Bayley-III	1 - 42 mos	Extremely Low			Borderline	Low Average	Average	High Average	Superior	Very Superior		
Letter-R	2 - 20 yrs	Severe Delay	Moderate Delay	Very Low/Mild Delay	Low	Below Average	Average	Above Average	High	Very High/Gifted		
SBS	2 - 85 yrs	Moderately Impaired/Delayed	Mildly Impaired/Delayed		Borderline Impaired/Delayed	Low Average	Average	High Average	Superior	Gifted or Very Advanced	Very Gifted or Highly Advanced	
WPPSI-III	2.6 - 7 yrs	Extremely Low			Borderline	Low Average	Average	High Average	Superior	Very Superior		
DAS-II	2.6 - 7 yrs	Very Low			Low	Below Average	Average	Above Average	High	Very High		
WI-III COG	2 - 90+ yrs	Very Low			Low	Low Average	Average	High Average	Superior	Very Superior		
K-ABC-II	3 - 18 yrs	Lower Extreme			Below Average		Average		Above Average	Upper Extreme		
WNV	4 - 21 yrs	Extremely Low			Borderline	Low Average	Average	High Average	Superior	Very Superior		
KBIT-2	4 - 90 yrs	Lower Extreme			Below Average		Average		Above Average	Upper Extreme		
WISC-IV	6 - 16 yrs	Extremely Low			Borderline	Low Average	Average	High Average	Superior	Very Superior		
TONI-4	6 - 89 yrs	Very Poor			Poor	Below Average	Average	Above Average	Superior	Very Superior		
WASI-II	6 - 90+ yrs	Extremely Low			Borderline	Low Average	Average	High Average	Superior	Very Superior		
WAIS-IV	16 - 89 yrs	Extremely Low			Borderline	Low Average	Average	High Average	Superior	Very Superior		

Tests of Adaptive Behavior

Test	Age Range	Extremely Low		Low	Below Average	Average	Above Average	High	Very High
ABAS-II	Birth - 89 yrs			Low	Below Average	Average	Above Average	High	Very High
Vineland-II	Birth - 90 yrs	Low		Moderately Low		Adequate	Moderately High		High

Tests of Academic Achievement

Test	Age Range	Very Low		Low	Low Average	Average	High Average	Superior	Very Superior
WI-III ACH	2 - 90+ yrs			Low	Low Average	Average	High Average	Superior	Very Superior
WIAT-III	4 - 50 yrs	Very Low		Low		Average		Above Average	Superior
KTEA-II	4.6 - 90+ yrs	Lower Extreme		Below Average		Average		Above Average	Upper Extreme
