## Semi-Annual Report Form for Previously Funded Proposals

11/28/2001

Dear STF Committee

Following is our semi-annual report for the STF proposals approved in the academic year 2000-2001. Last year, the STF committee approved over \$23,000 for CARTAH. We are happy to report we have completed the 2000-2001 STF grant.

The equipment you have provided has made it possible for us to provide students with the tools to do some incredible work. Thank you for making 2001 CARTAH's most successful (and busiest!) year ever.

Thanks,

Mark Haslam  
Technical Coordinator  
CARTAH

Finally, we would like to get some feedback from you regarding the proposal process. Please give us a brief summary of your experiences with the committee, with the proposal process and the associated documents such as the RFP (Request for Proposals), the Proposal Form itself, the submission mechanism etc. Your comments are greatly needed and appreciated. If you would like to talk to the committee in person, we would be more than happy to accommodate you.

Please type or write your comments in the space provided.

Thank you for your annual report. We hope to work with you again in the future, and wish you success in your other endeavors.
