

# GME 102: New Program Director & Program Administrator Orientation

---

All Program Directors, Associate Program Directors and Program Administrators who have been in their roles for **less than 3 years** are invited to register. Attendance at this course is specific as a requirement of service and attendees will be trained by their peers and experts in practical topics designed to improve and develop the knowledge base required for oversight of new or established UW GME training programs.

**WHEN:** Friday January 26, 2018 from 8:00 am – 4:00 pm  
**WHERE:** UW Medicine SLU – **Orin Smith** Auditorium  
(850 Republican Street – Bldg. C)  
**DETAILS:** CME Credit offered for *in-person* attendance (see details below).

*Breakfast, Lunch and Parking Validations Provided!*

***Note: This event will be streamed live. Register below for further information.***

## GME 102 Objectives:

*Following this event, participants will be able to...*

1. Continuously develop a curriculum to meet the educational expectations and needs of residents and fellows.
2. Facilitate and guide residents and fellows, faculty and the program Clinical Competency Committee (CCC) to make educationally sound decisions to further learning.
3. Design assessment and evaluation systems to enable continuous learner and program improvement.
4. Navigate the financial principles and policies of GME.
5. Interact with members of the UW GME community with similar needs and goals.

## Accreditation:

The University of Washington School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Washington School of Medicine designates this live activity for a maximum of 12.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity. (This session is 6.5 credits)
