Clinical Grading Criteria

1. **Honors (GPA of 4.9 to 5.0)**
Students must receive at least 10 of 11 scores of 5 and no score less than a 4 in any category for Honors. This equates to a GPA of 4.9 or higher.
2. **High Pass (GPA of 4.2 to 4.8)**
Students must earn a GPA of 4.2 or higher to earn a grade of High Pass. There are multiple ways of doing so (please [download the Clinical Grading Workbook](#) to determine grades necessary to earn High Pass).
3. **Pass (GPA of 2.8 to 4.1)**
Students earning a GPA of 2.8 to 4.1 will earn a grade of Pass.
4. **Fail (GPA of less than 2.8 OR a score of 1 in any category)**
A failing grade is based on student's performance taken as a whole and not solely based on any one numeric profile. A 1 in any category will result in a failure.
