

Madigan Army Medical Center

SAVE THE DATE!

Madigan POCUS Workshop

When: May 31, 2019

Where: Joint Base Lewis-McChord, Tacoma, WA

Who: WWAMI Network Faculty (10)

Madigan has reserved 10 spots for the Family Medicine Residency Network faculty. Registration is complementary, though travel is not included. Lecture topics include: knobology, credentialing/billing/coding, eFAST, RUQUS, ECHO, DVT, MSK, Pelvic, Renal. Short lectures will be followed by hands-on training with US machines from Sono-site and GE in small groups to maximize learning. Participants will also be models for each other and there will be phantoms with pathology.

INFORMATION:

For questions and registration info, please contact Dr. Maria Takahashi at maria.g.takahashi.mil@mail.mil or Dr. Ben Arthur at benjamin.t.arthur2.mil@mail.mil
