* Please contact the instructor(s) directly for more details about the course offering.

** **For MPH-Global Health Students:** GH 531 or GH 532 is a required curriculum course. If you choose one of the courses as an elective for the Certificate, it must be the course that does not count towards your degree.

*** GH 590 is a Special Topics course with rotating course titles. To count Special Topic courses other than the one currently listed, please contact the Certificate advisors to confirm its eligibility and acceptance as an elective.
