This committee will address the comments, questions, and concerns raised by GPSS officers and senators. The AEmS Ad Hoc Committee will be a place for the community to be heard and a space where the voices of those most impacted by alternative emergency services will be centered.

- GPSS Vice President of Internal Affairs (designated officer for committee oversight)
- Original Bill Authors
- GPSS Senators

ASUW representatives, students at-large, and community and campus partners do not have voting privileges within the Ad Hoc Committee.

### **Timeline & Termination Conditions**

- The Committee will commence at its first public meeting, January 21, 2022.
- The Committee will meet as needed to discuss changes to language in the bill.
- A representative from the Ad Hoc committee will report to the Executive Committee on the bill's progress monthly.
