Announcements

ATTENDANCE

Word of Day: Halloween
Greetings ASUW, GRSS, RSO leaders, and HUB student employees,

For almost a decade, former HUB student leaders have contributed to what is now the HUB Excellence in Student Leadership Scholarship as a way to support future students who have followed in their footsteps. This year, we’re excited to share that we are expanding the scholarship to four, $1,000 awards.

The HUB Scholarship selection criteria is a blend that will consider both involvement in leadership and financial need. The intent is to help support student leaders who have shown a commitment to UW and their roles and who would benefit from financial assistance to continue giving back to the University through their involvement.
